GREATEST SH

OW ON EARTH

Come!

To the Greatest Show on Earth—
The Greatest Year at T. J.—
The Year 1960-61

You of Thomas Jefferson's student body are the performers of a wonderful show. This show, continuing for nine months, consists of all the acts and players which make up the school year of Thomas Jefferson 1960-61.

Life under the big top has many similarities to life at T. J. For the show to be a success each person must dedicate himself toward a fruitful performance. Each day the performer must strive to perfect his part in the show through the academic program, clubs, organizations, athletics and all work connected with the school.

The show starts; the acts begin. There is happiness, tension, excitement, suspense and shock. Finally each act is completed. At the end of the performance either we feel that we have done our part in making the whole year a success or we feel that we have neglected our responsibilities and the show has failed.

What about this year? Considering you a performer in the show, truly we can say that this is not only the greatest year at T. J. but also the Greatest Show on Earth.

. . . *Teacher*

The 1961 *Document* is dedicated to one who has established at T. J. a yearbook of which we can all be proud. The National School Yearbook Association awarded the grade of "A" to the 1960 *Document*, the last of the sponsor's four Jefferson annuals. During her four years at T. J. she exerted her innumerable talents and devoted much of her time to making the yearbook the success it has been. We hereby feel it indeed an honor to recognize one who has given so much to the school of Thomas Jefferson through the academic program, through being the Senior Sponsor, and through being the annual sponsor . . .

MAIN ACTS

The year began with a bang. The office was in an uproar with all the schedule changes. The teachers were rough; the classes were grueling; and I was a new student at Jefferson. What a combination! But I loved every crazy minute of that three ring circus.

I was elected to student council by my homeroom. Quite an honor for a newcomer, I thought. We, the student council members, attended a workshop which aided in helping us run the school smoothly and properly. Under the direction of Tim Mitchell, the Student Body President, the constitution was rewritten, the clubs rechartered, and the election committee reorganized.

As the year progressed, the daily announcements second period seemed to increase in length, much, might I add, to the consternation of my teachers. One boy who was a regular contributor stands out in my mind still—David Ritz, comic-promoter and editor of the REVEILLE, which was always packed with a complete coverage of all the activities from the front to the back of the six to ten pages.

Clubs organized. There were so many interesting ones! The Spanish Club had to divide to take care of the increase in members. While I'm on the subject of languages, to my amazement I found that there are four-year courses in Latin, French, and Spanish and a three-year course in German. Both the enrollment of 900 students and the extensive curriculum makes this the largest language department in the Dallas School System. Other academic advancements include five years of math and a new chemistry course called the CHEMICAL BOND APPROACH which is taught by Mr. Snyder. Only twelve schools in the country are set up to teach this method.

Football started and with it the "BOOSTER CLUB." This club was a group of boys who upheld and inspired the school football spirit through mass organization of dress and yells. This spirit surrounded me and I was immediately caught up with it. T. J. pep assemblies, led by our outstanding cheerleaders, were a new and pleasant experience. The drill team and the band—what would football have been without them? The girls were excellent representatives of the school. As for the band numbers, "Peter Gunn" was my favorite. Being as professionally polished in their performances as they were, I found it hard to believe the student director and drum major, Bobby Houston, was only a junior.

November rolled around, bringing with it homecoming activities—the game, the coronation, and the dance. Sheryl Myers reigned for the evening of the dance as the 1961 Homecoming Queen. All the fun and excitement of seeing the exes made me hope that someday, I too, might be able to return to T. J. and receive the hearty welcome they did.

We had a good year in basketball. We began the season in glory by taking first honors in the Dr. Pepper Tournament, but were unable to secure the top district rating. Emily Pigman was chosen as basketball queen by the team, while they continued to play, fighting for each game harder than the previous one. I was beginning to know everyone better now; I felt proud to be a part of the student body.

Then track started, one of our most successful but least recognized sports. The cross-country meet was held, with our team winning first in the city and second in the state. Duncan Mason, the "Machine," won every mile event in which he entered and Gene Comroe, a valuable member of the team, also brought home honors to T. J. Our relay team, composed of Bob McGregor, Bruce Teagarden, Steve Langham, and Jimmy Ellington, scored many points for us in our meets.

The speech department proved to be a favorite among my fellow students. Thespians, a division of this department, excelled in the production of the Senior Play. The play, THE NIGHT OF JANUARY 16TH, was a definite success due to outstanding performances by David Tanner, Fredyann Levit, Peggy Jessup, David Ritz, and the rest of the cast, and the experienced direction of Miss Agan. The speech department and the Concert Choir combined their efforts to produce that wonderful musical THE KING AND I. This was presented on four nights in April by two casts, led by David Tanner and Phil Friday.

February, of course, brought Valentine's Day. The annual staff gave a "Valentine in Valencia" dance

for us. What I liked most, I have to admit, was that zany intermission with the mock bullfight and the coronation of the queen, Sue Krider.

The next sport was baseball. We had several minor mishaps as I recall. I felt so sorry for the boys who came to school the day after a hard practice minus their front teeth or with a broken jaw. Maryann McLeod was chosen as Queen of Baseball.

Another important facet of the school is the N.D.C.C. Performing many helpful tasks, it has become an integral part of our school. It has provided guards to keep the hall clear during lunch periods and in cooperation with the Student Council, the N.D.C.C. directs the one-way traffic near the lunchroom to keep the halls from becoming congested. Also, during football games, the N.D.C.C. is always found ushering. This hard-working organization is a necessary fixture at Thomas Jefferson.

Just about the most exciting time of the year for me was elections. It had its moments of sadness, but all in all, well-qualified and responsible people were elected for all the offices. It was such fun helping to put up posters, passing out handbills, and just doing whatever I could to help my candidates win.

The year is over now. Our three-ring circus has been frantic with activity and hard work, and like the spectator of a real circus whose head is swimming with the multiplicity of acts, I find the memories of my sophomore year crowding in.

Well. . .

How now,
brown cow.

No one can get the ball over now!

STAR PERFORMERS

THE 1960-'61 DOCUMENT BEAUTIES

The judges: Mrs. Klindworth and Mrs. Dawson.

This year our Document beauties were judged by Mrs. Kim Dawson and Mrs. Barbara Klindworth who have both modeled and taught charm courses. The "Beauty Tea" at which the actual judging took place was held at the home of Dr. and Mrs. Dale Austin. Our hostess was charming as always and aided much in the calming of jittery nerves.

The main points in the judging were facial beauty, figure, coordination of clothes, and ability to wear clothes. Poise was a very important factor not to be forgotten.

The judges, as members of *Fashion Creators*, co-ordinate fashion shows. In this capacity their responsibilities consist in hiring models, writing narratives—the actual production of the shows. We therefore feel they have done a job *par excellence* and are very grateful for the time and effort devoted to it.

Mrs. Austin—caught in the act.

"I am NOT crying; my contacts hurt."

"Oh no! Tell me they didn't call my name."

The 1960-61 Homecoming Queen
SHERYL MYERS

HOMECOMING

November 12—The theme of Thomas Jefferson's third homecoming proved entertaining for both past and present T.J. students as they viewed the "Hall of Portraits" which depicted past homecoming queens.

At the annual homecoming game Friday night the queen nominees were presented in beautiful rose-covered golf carts. Their favorite football players escorted them to the field where they were presented with corsages—amidst the usual battle of the pins. As the girls left the field everyone wondered who was to be crowned queen for 1960 and to take her place in the queens' portrait hall.

The Saturday night pageant, led by court guards, began amidst Elizabethan pageantry and fanfare. After each girl was presented to the audience, last year's queen, Jean Teel, crowned Sheryl Myers homecoming queen of 1960-61.

The newly-crowned queen then led her subjects to the dance in the girls' gym. The climax of the dance was the ex's parade around the gym with their respective school banners.

The court consisted of Sheryl Myers, Gary Johnson, Peter Kemp, Sue Krider, Mike Wilkerson, Shannon Reynolds, Cazzie Miller, Sid McClain, Emily Pigman, Eddie Lester.

. . . AND THEN CAME THE NOMINEES

"He, He! Check me—I've got a brown-eyed handsome man."

"Aw, Sue—will you stop giggling!?"

"Sidney, *what* have I told you about sucking your thumb in public!"

"Oh, honestly, all these contests get *so* boring!"

"Oh, well, there's always basketball queen."

CORONATION AND DANCE . . .

. . . Queen Sheryl takes her bow.

Military Ball

The 1961 Military Ball, following an International theme with red, white and black streamers, was the high-light of the N.D.C.C.'s year. Don Meyers announced the N.D.C.C. Queen, Miss Ann Walters, who was escorted along with the other princesses by the company commanders through an honor guard, and crowned by Don Meyers, Cadet Colonel. A dance band provided the music and the intermission entertainment was presented by a quartet in the style of the Kingston Trio.

Miss Anne Walters, queen of the NDCC Corps, is escorted through the Honor Guard by Larry Meade.

Hughes and Crosby ready to name the queen.

Electric excitement and valentines filled T. J. auditorium as the house lights dimmed. The annual Sweetheart Coronation was beginning. The curtain opened on a beautiful set designed by the Art Service Club; the romance of Valencia, Spain, was captured by the columns of the Alhambra and a huge black lace fan which formed the throne. The nominees and their escorts processed slowly and regally to their position on stage while the dance band played soft melodies. Tension mounted once all were in place, as Lee Hughes, Assistant Editor of the *Document*, paraded slowly with the crown bearer, Susan Gilmore. He stopped in front of Sue Krider, thus announcing the 1961 Valentine Queen. Having crowned her, he escorted her to the throne, robed her in the elegant red satin coronation robe, and stepped back in obeisance as Carol Crosby, Editor of the *Document*, presented the new queen with the traditional roses.

The scene then moved to the girls' gym which had been transformed into a Spanish courtyard. The dancing of the royal party and T. J. subjects was halted mid-evening for a terrifying bull fight, complete with pompous matadors and three vicious bulls. The best matador was awarded the hand of a lovely senorita. Bob Beckmann provided a humorous monologue which was followed by the excellent music of John Hammond, Bobby Houston, Mike Claibourne, and Mike Nesmith.

A VALENTINE IN VALENCIA

Pace and Crosby—"What'd ya mean, 'my tail's not big enough?'"

Austin and Vesecky—"Away my love!"

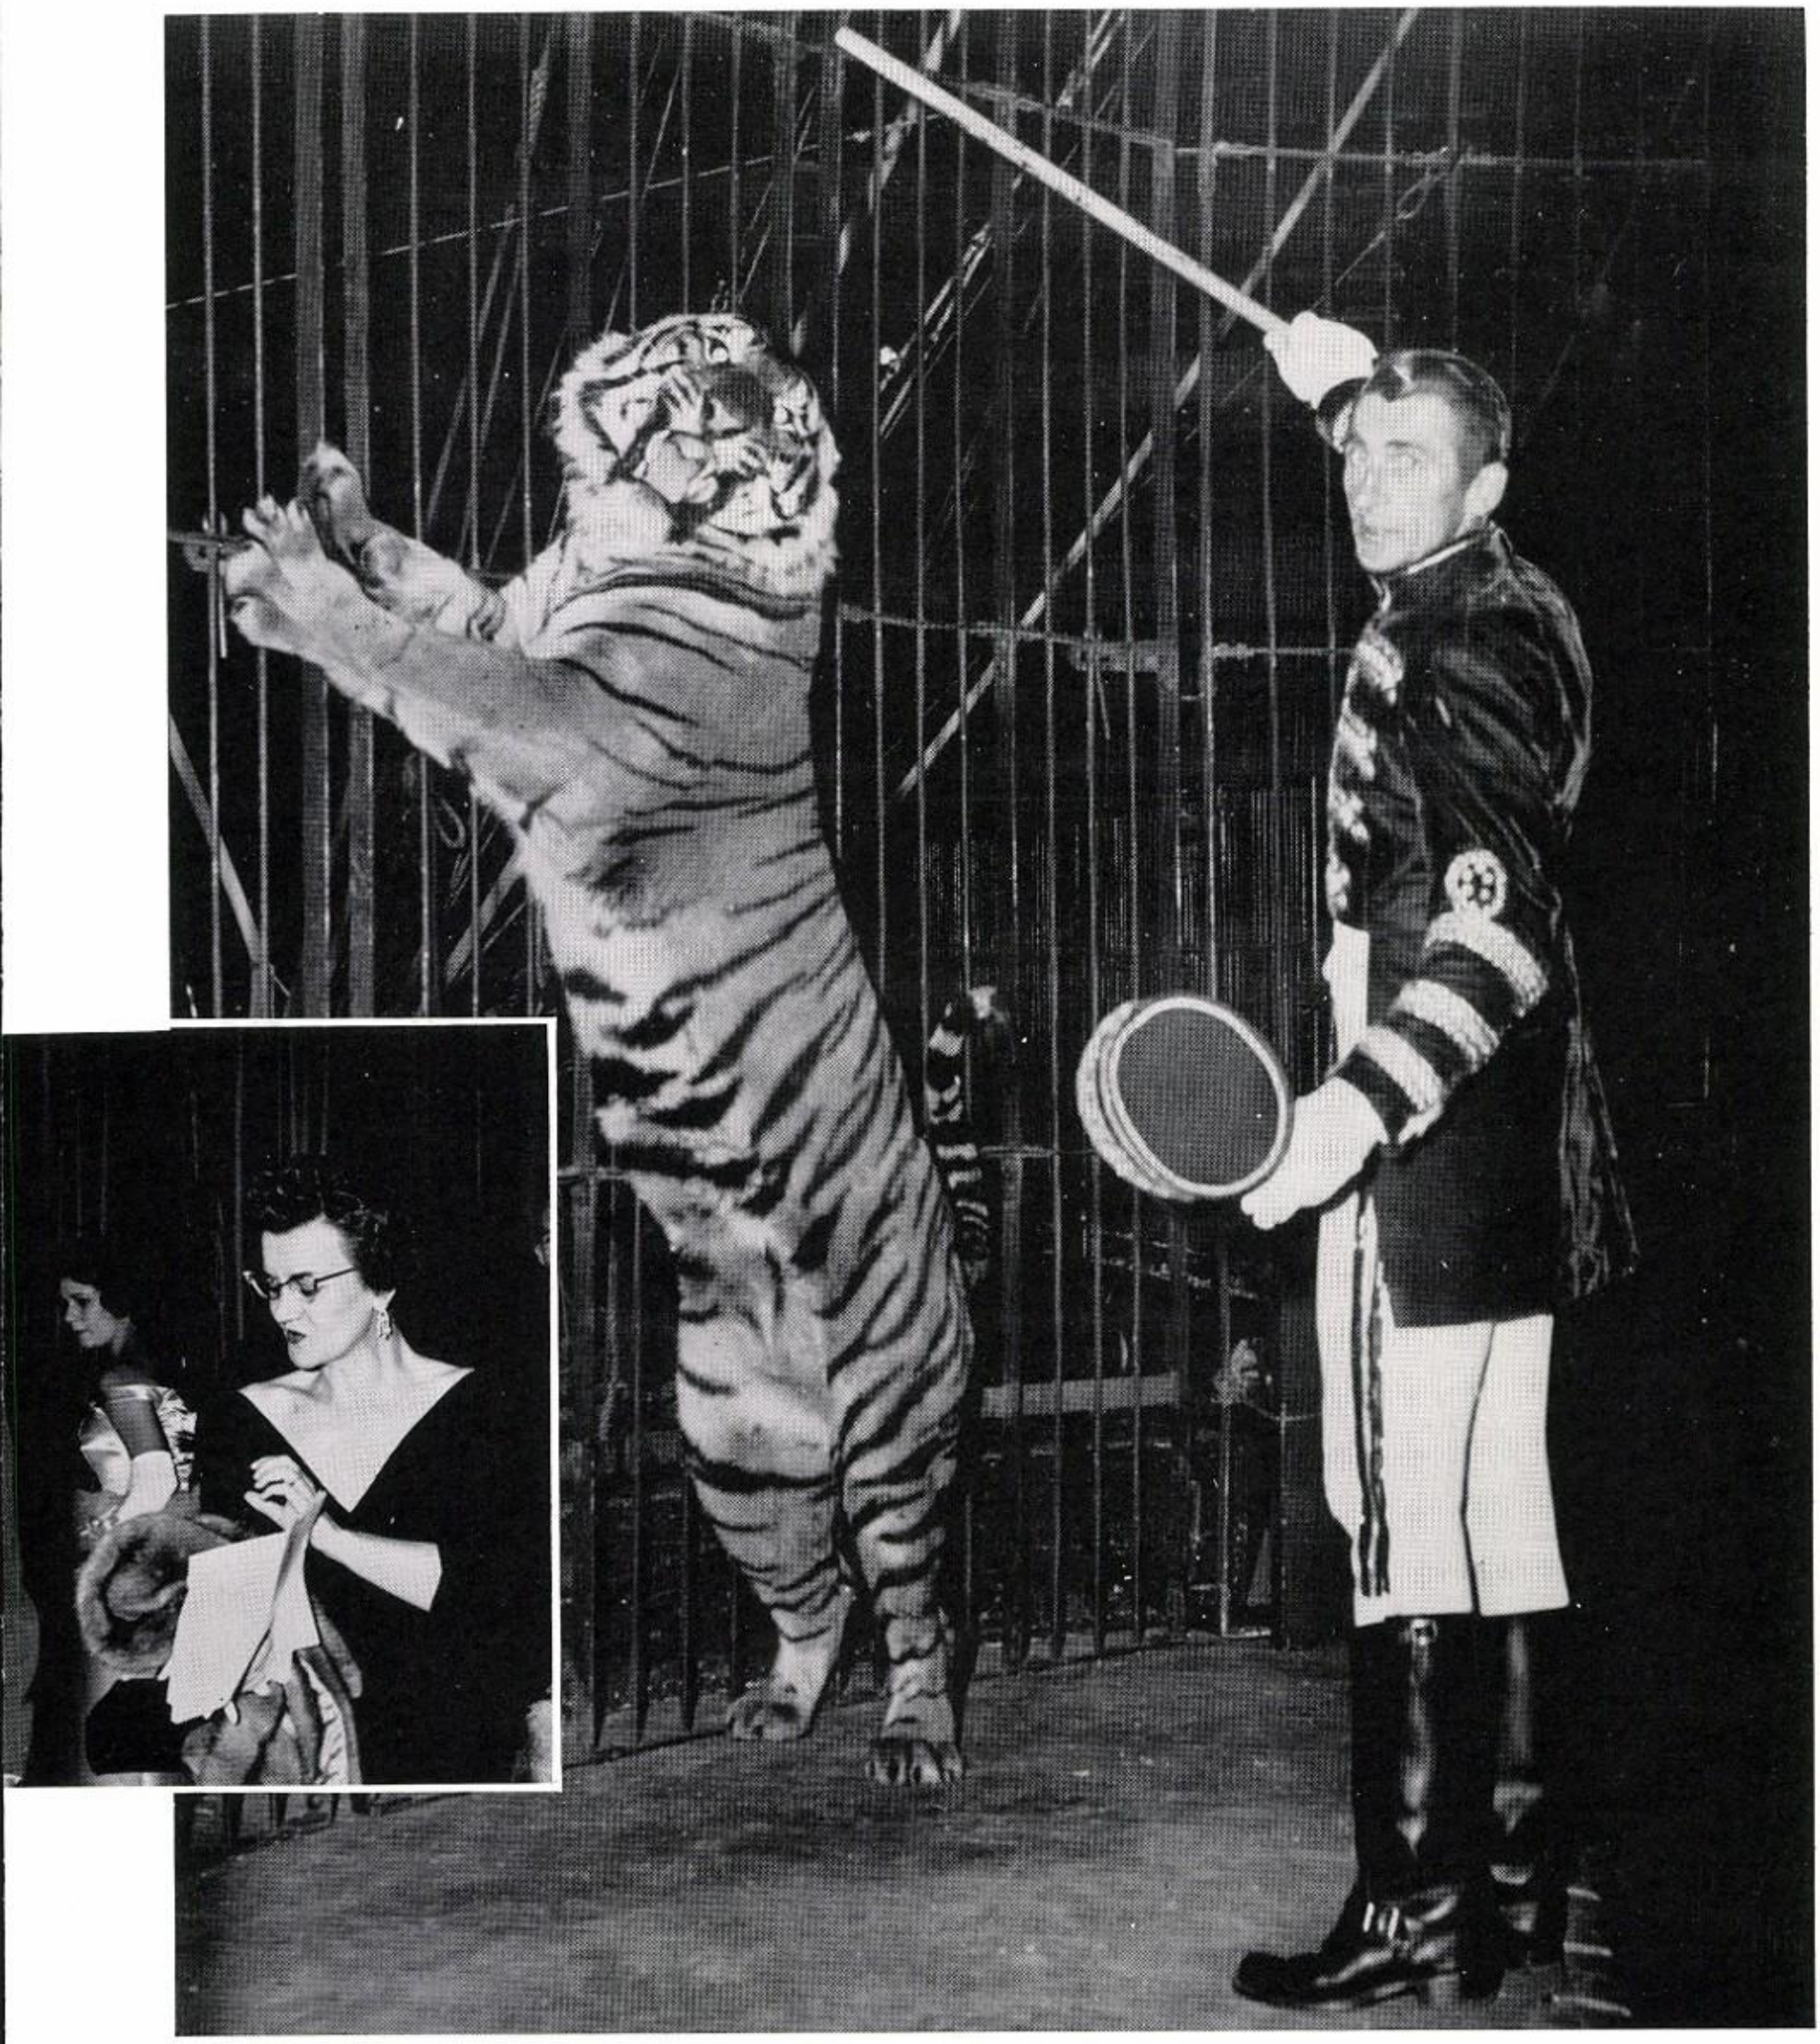
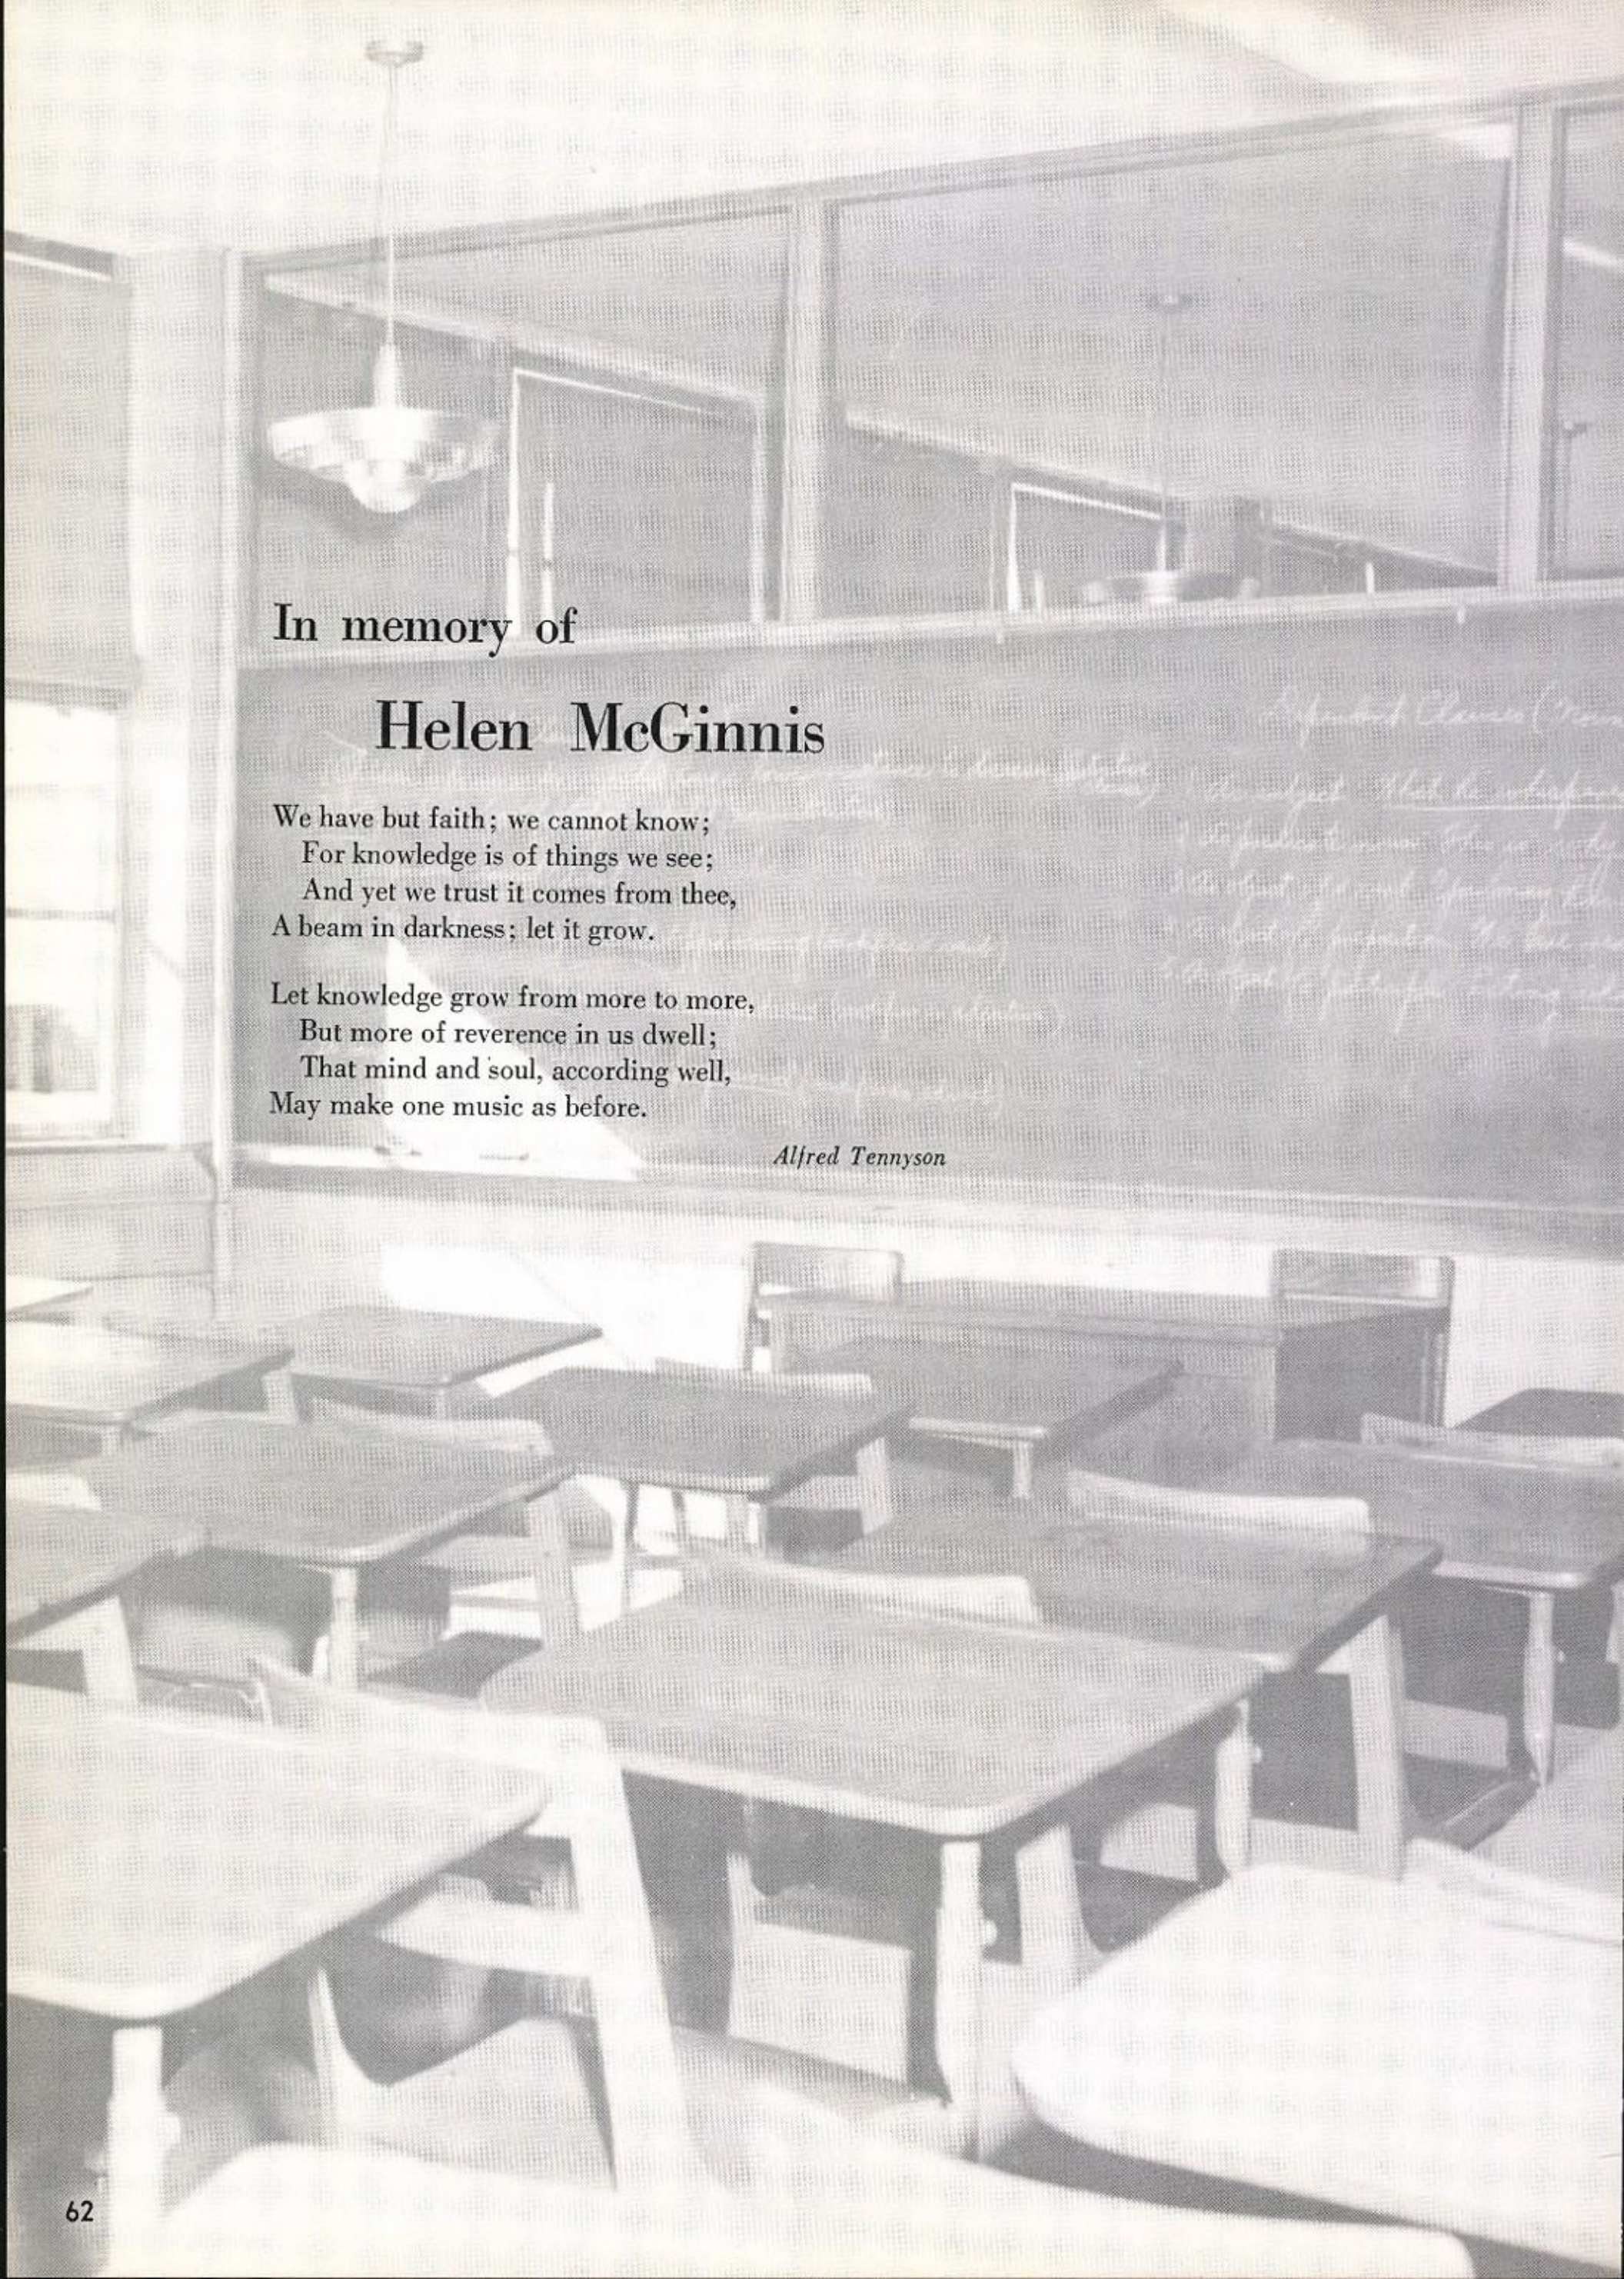
MANAGERS





In memory of

Helen McGinnis

We have but faith; we cannot know;
For knowledge is of things we see;
And yet we trust it comes from thee,
A beam in darkness; let it grow.

Let knowledge grow from more to more,
But more of reverence in us dwell;
That mind and soul, according well,
May make one music as before.

Alfred Tennyson

McKay, Assistant Superintendent in Charge of Administration; Dale Douglass, Assistant Superintendent in Charge of Business; Hollis A. Allen, Assistant to the Superintendent; Don E. Matthews, Assistant Superintendent in Charge of Special Services; Dr. Frank Williams, Assistant Superintendent in Charge of Instruction.

BOARD OF ADMINISTRATION

BOARD OF EDUCATION

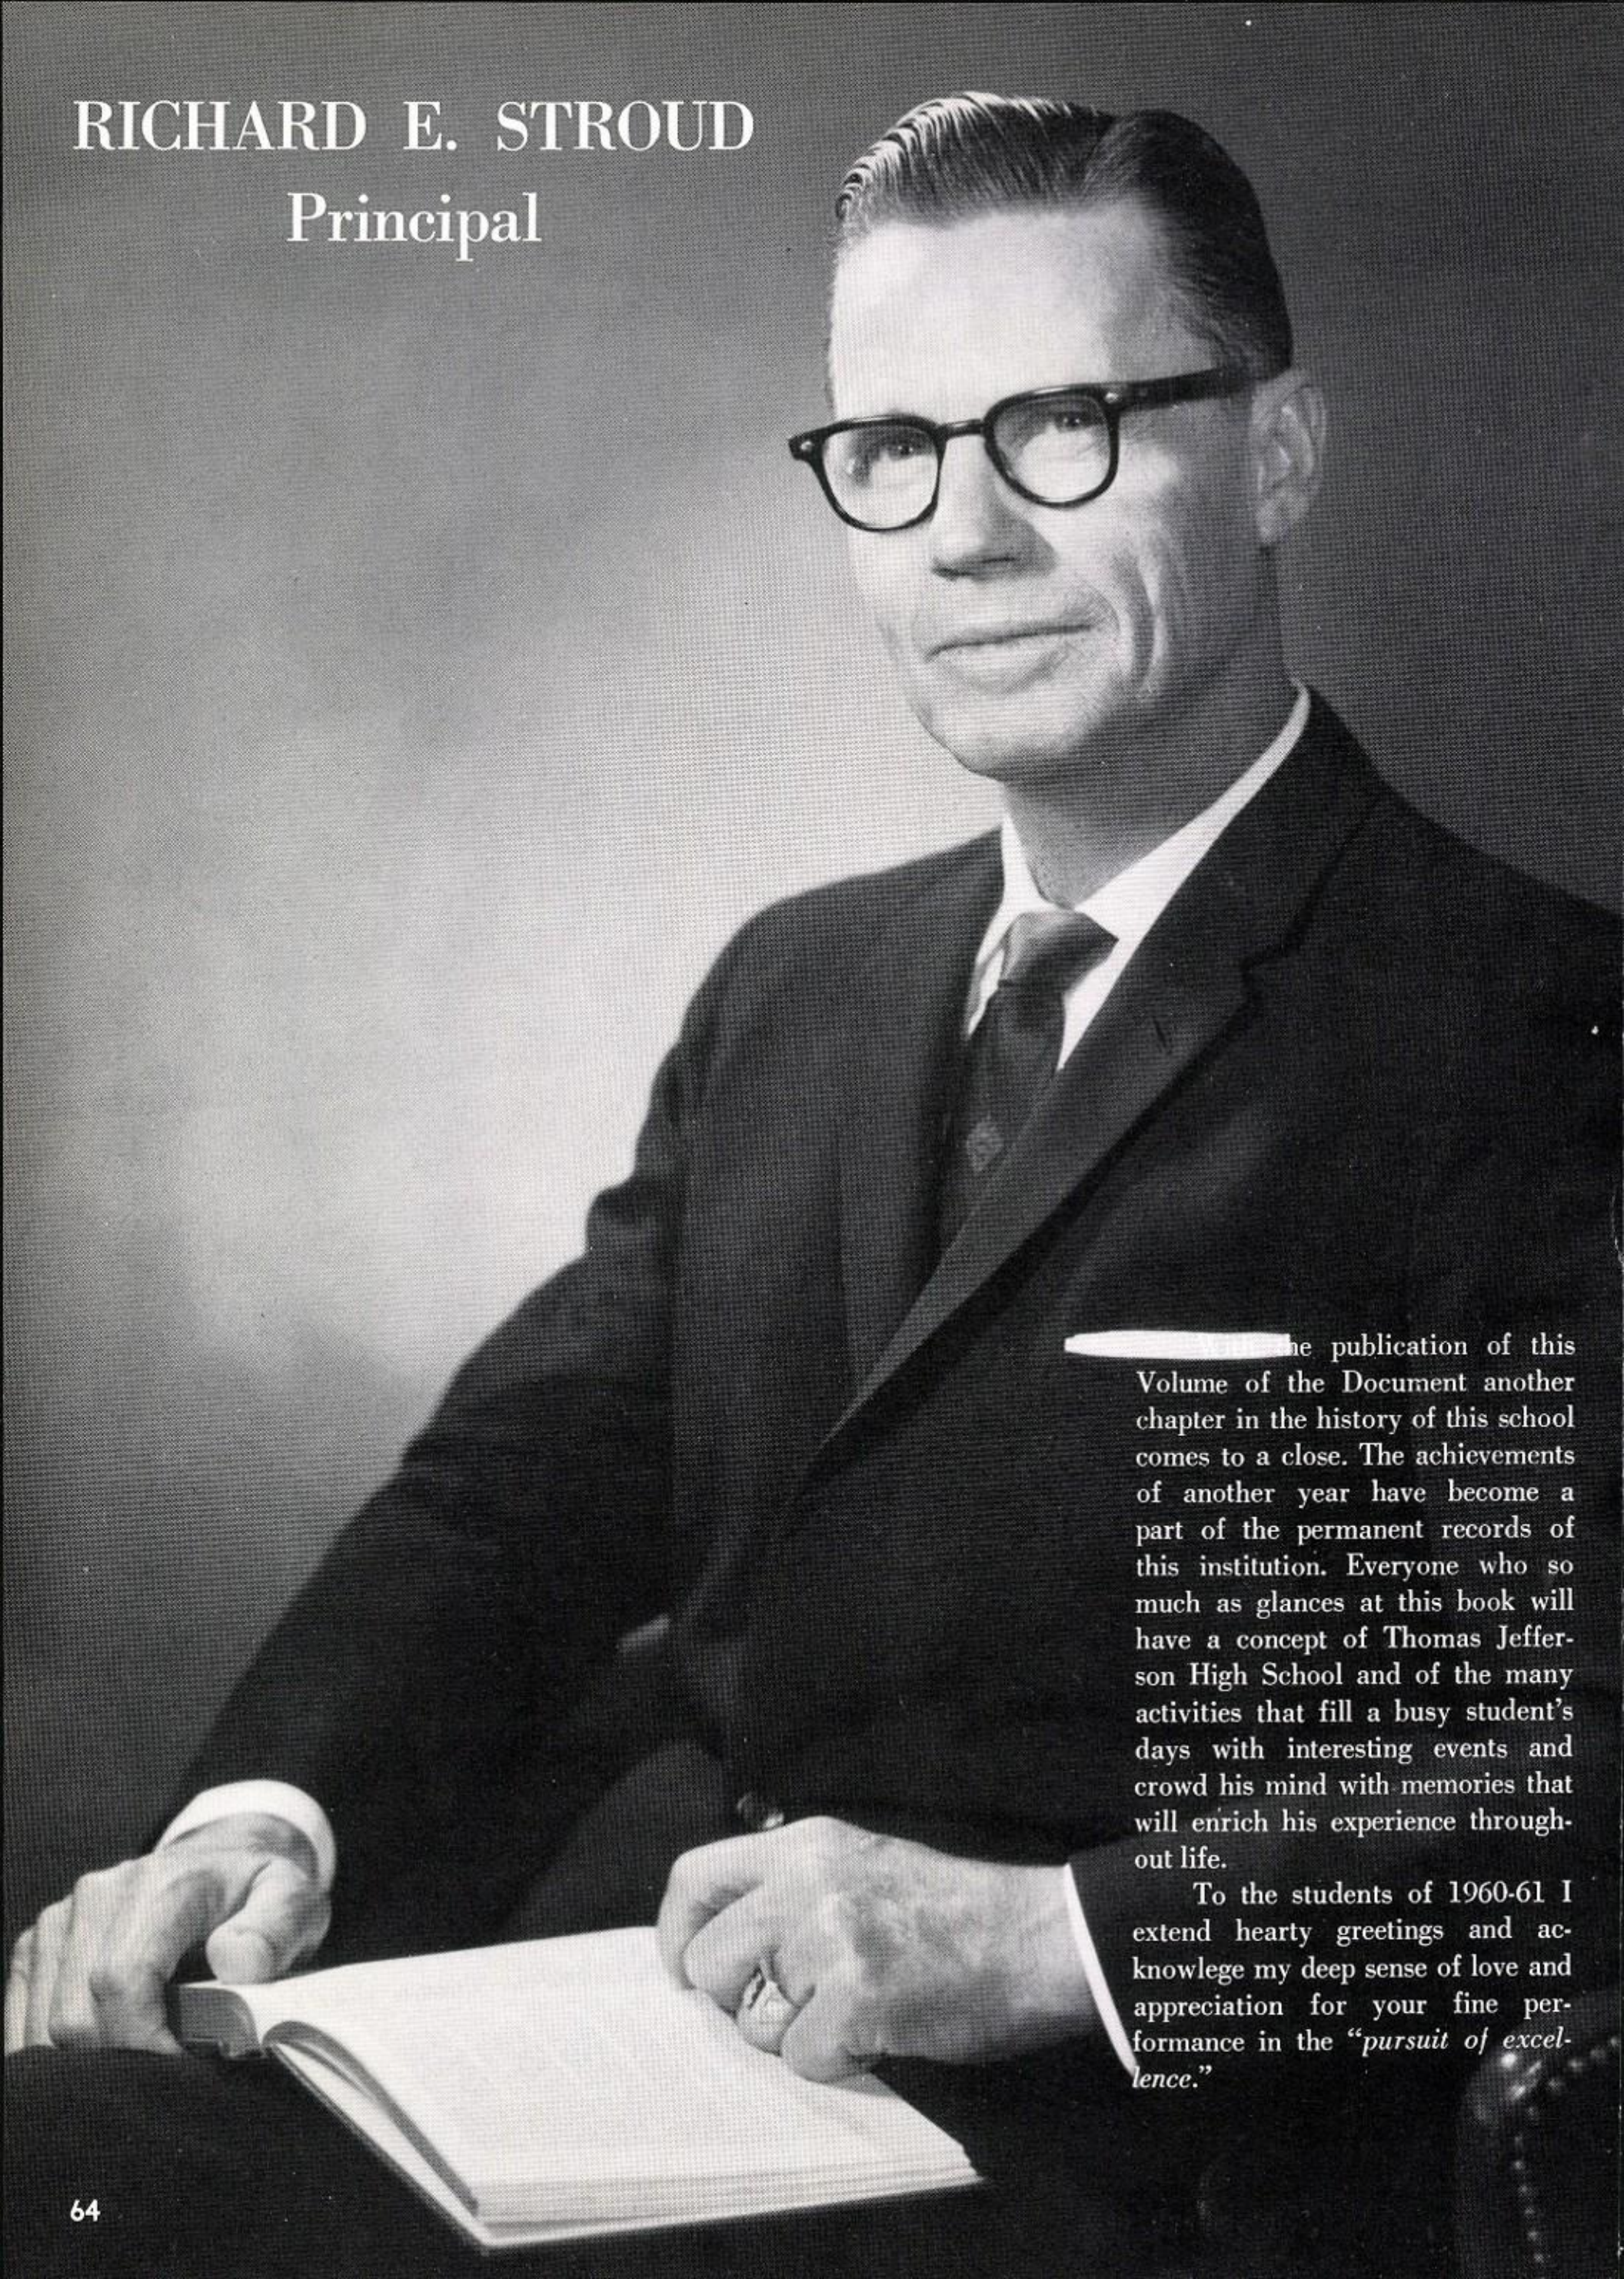
Dallas school system has been judged one of the most successful in the country. The Board of Administration plans for an expanding community of students, studies the needs of the child as an individual, and attempts to establish the building of democracy through its future citizens.

The School Board controls the budget, contracts for building and expansion of the educational plans, participates in national educational programs, and studies the needs of the child in relation to the community itself. Dallas has been extremely fortunate in having many capable governing bodies, such as the one pictured below.

FRONT ROW: Mrs. Vernon D. Ingram, Mr. Franklin Spafford, Dr. W. T. White, Mrs. Tracy H. Rutherford, Mrs. Rouse Howell.

ROW 2: Mr. Van M. Lamm, Mr. Donald M. Burton, R. L. Dillard Jr., R. B. Gilmore, Robert S. Fulsom.

RICHARD E. STROUD
Principal



[redacted]e publication of this Volume of the Document another chapter in the history of this school comes to a close. The achievements of another year have become a part of the permanent records of this institution. Everyone who so much as glances at this book will have a concept of Thomas Jefferson High School and of the many activities that fill a busy student's days with interesting events and crowd his mind with memories that will enrich his experience throughout life.

To the students of 1960-61 I extend hearty greetings and acknowlege my deep sense of love and appreciation for your fine performance in the "*pursuit of excellence.*"

CARL FINLEY

Assistant Principal

A wise man once wrote, "Profit from the errors of others—one does not have enough time to make all of them." Although these words are simple and meaningful, there are those people who seem determined to accomplish in a lifetime what so many others have failed to do. Let us benefit from the experiences of mankind and set our sails on a straight and true course through the adventure of life.

BACK RIDERS • SPINE-TINGLING • DEATH-DEFYING •

EDITH COOPER

Dean

A great asset to Thomas Jefferson are the varied services offered by Mrs. Edith Cooper, our dean. Her many duties range from checking attendance records to counseling the students. Giving advice and listening to the students' many problems are also included in Mrs. Cooper's curriculum. She handles all these situations with amazing calmness and apparent ease.

WILDS OF AFRICA • ST

COUNSELORS

Erma Nell White

The counselor serves as academic advisor and works with the many types of problems related to this general function. It is a vital task to see that each student receives the proper educational and vocational guidance necessary to complete graduation requirements and that each is steered in the right direction for the future. This broad approach to counseling involves group guidance as well as individual counseling.

The guidance program has expanded this year to include two teacher assistants who work with the counselor two periods each per day. Mrs. Caroline Cage and Miss Rubia Clement have been assigned to work with Miss White. This is progress because it means better service to the individual student.

Caroline Cage
Rubia Clement

TASTIC FEATS OF SKILL

SECRETARY
Ruby Fae Angell

Mrs. Angell serves as Mr. Stroud's secretary. She also assists Mr. Finley in his secretarial work. Handling correspondence, making appointments, checking reports leaving or coming into the office, and taking charge of activity money are some of the varied tasks performed by Mrs. Angell during a school day.

OFFICE STAFF

The office staff at Thomas Jefferson operates daily, quietly, efficiently, and with great effectiveness. Hearing tardy excuses, matching lost lunch sacks to the right students, and aiding the students in the problems they encounter during a school day are the daily jobs that the office staff faces with continuous equanimity.

STAFF: Mrs. Ann Morrow and Mrs. Elizabeth Higgins are office clerks who assist the dean; Mrs. Helen Lawrence is of tremendous importance as a library clerk; Mrs. Velma Templemeyer assists the counselor; Mrs. Geraldine Anderson is an office clerk who works with the secretary.

NURSE
Elizabeth Childs

In the capable hands of Elizabeth Childs, R.N., rests the school health service. This program is responsible for making health examinations; for preventing and correcting physical defects; for securing the immunization of students; for observing students for signs of communicable disease and other adverse conditions which may arise between health examinations; and for the handling of emergency illness and accidents.

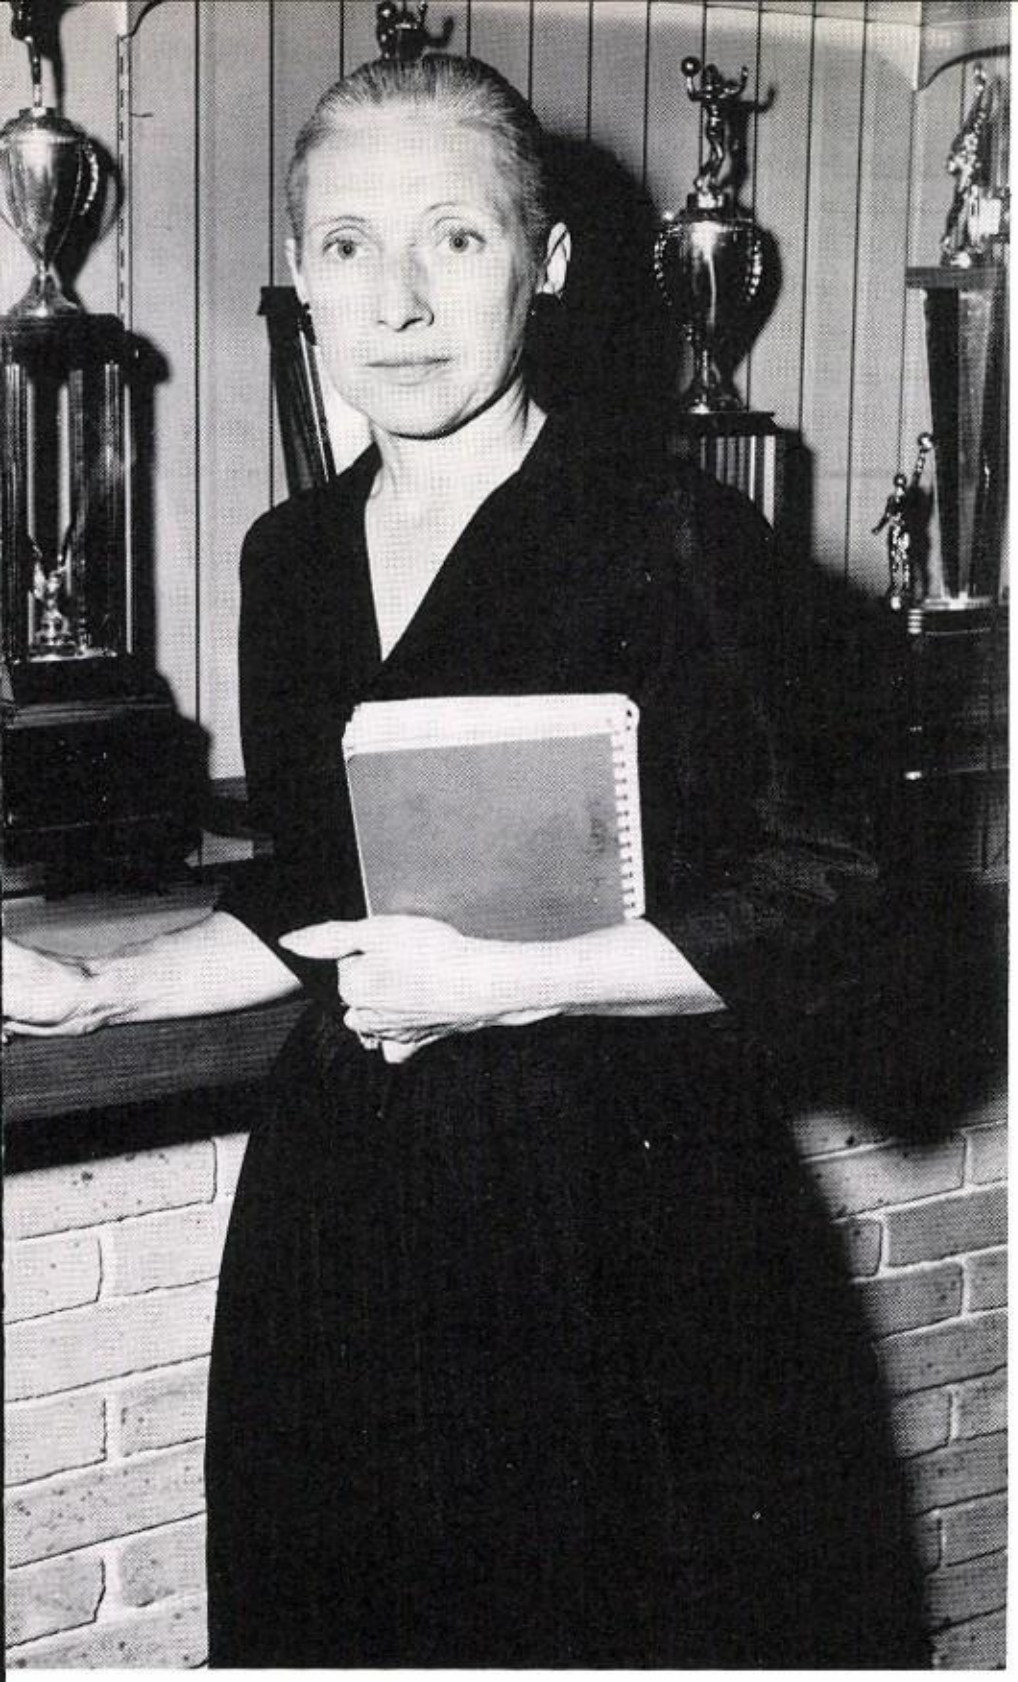
MARVELOUS • UNBELIEVABLE • WORLD-RENOWNED

THE NDCC SPONSOR
Captain J. B. Wilson

The Professor of Military Science is responsible to the school and army authorities for the administration, discipline, and general appearance of the cadet corps.

Through the National Defense Cadet Corps program the Department of Army conducts basic military training programs, stimulates interest in military careers, and promotes appreciation of the army as a service.

The military program encourages a high sense of personal honor and deportment, respect for constituted authority, and a belief in the supreme being.



PARENT-TEACHER ASSOCIATION

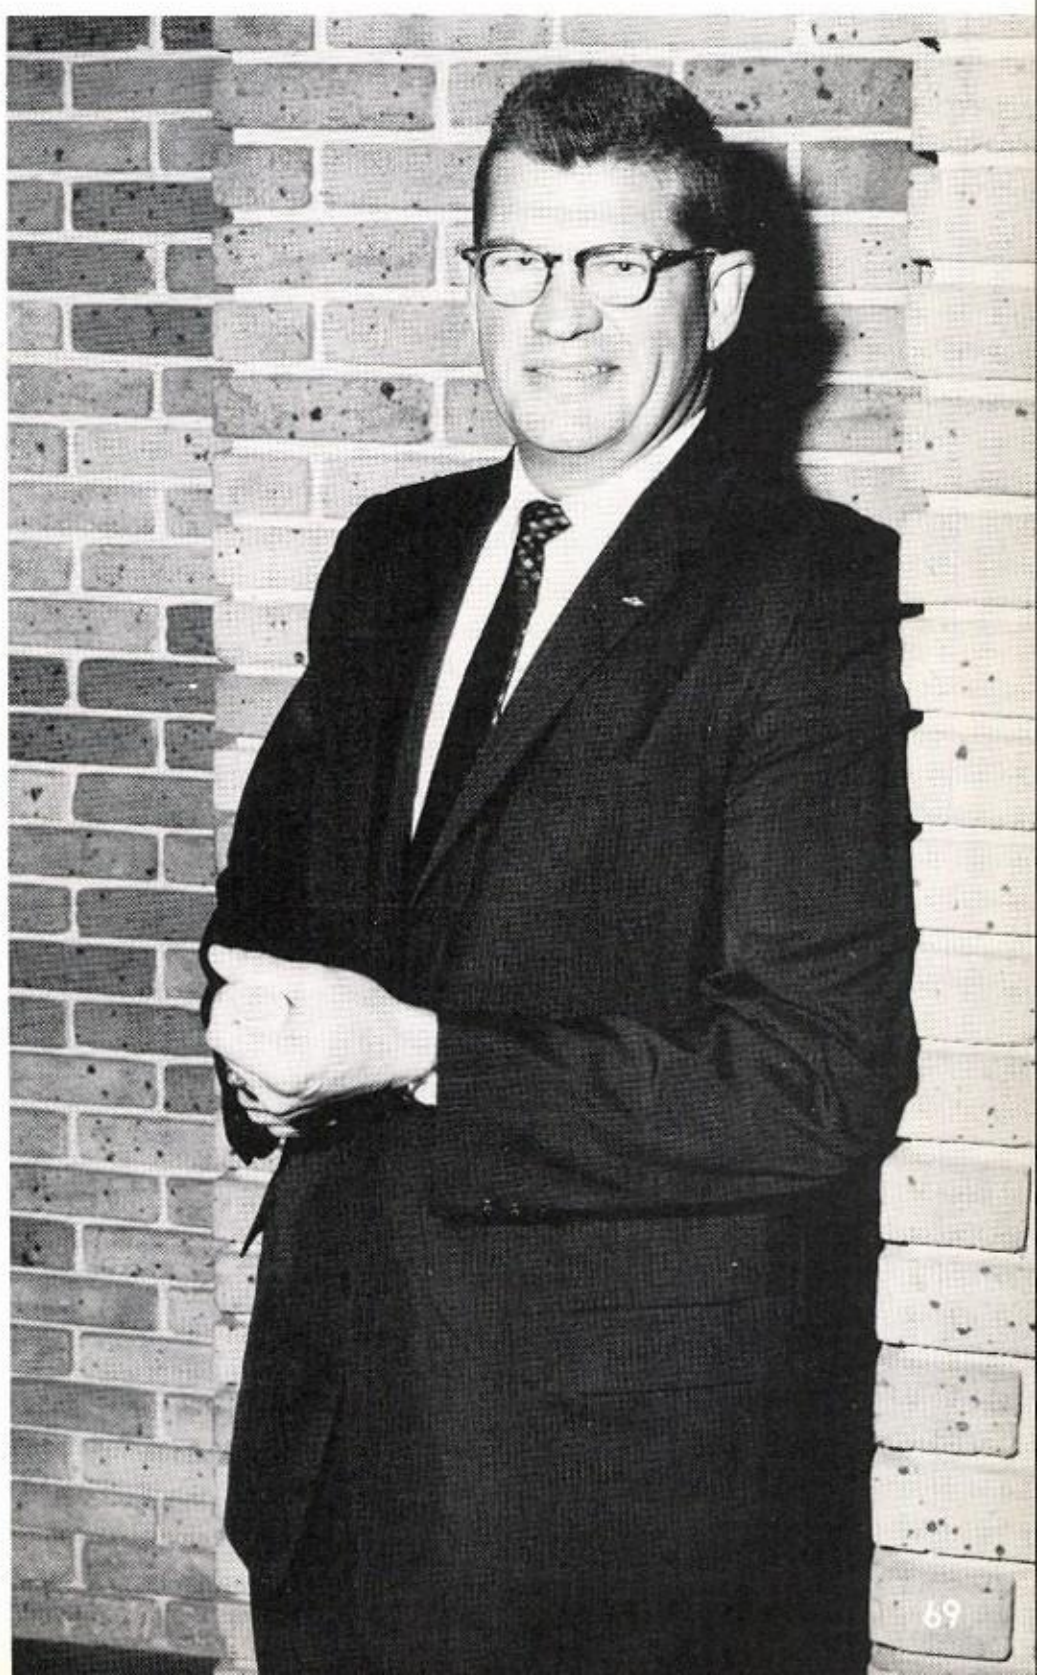
Mrs. J. N. Kennedy

Thomas Jefferson's Parent-Teacher Association in its united strength endeavors to help America's youth attain a future more satisfying to themselves and more useful to their country. Giving aid to any needy student in our school in the form of clothing, transportation, or lunches; cooperating with the Librarian in presenting the Book Fair or Book Exhibit; assisting the Student Council in the delivery of Thanksgiving baskets to needy families; supporting legislative programs for the protection and welfare of all youth; and aiding the exchange student—these are only a few of the tasks that the P.T.A. performs.

DAD'S CLUB

Mr. Charles Standifer

The object of the Thomas Jefferson Dad's Club is the promotion of a program which will serve the educational, recreational, and general welfare of the students. Specific projects that the Dad's Club sponsors during the school year are promoting the advance sales of football and basketball tickets, serving refreshments to the football team after each game, supplying electricity to the athletic field for the baseball batting machine, furnishing storage and transportation for the ornamental door used by each senior class at their formal dance, and sponsoring the inter-squad spring football game.



DEFYING • # MATHEMATICS • COLOSSAL

The Mathematics Department offers an extremely broad program in basic algebra, geometry, and trigonometry as well as accelerated courses in calculus and analytical geometry. These advanced math courses are for the student desiring to further his knowledge in the field of mathematics. When a student in an accelerated class completes the introductory course in calculus and analytical geometry, he is eligible, in various colleges, to take an advanced placement exam and begin college with courses in higher mathematics.

• MARVELOUS • UNBELIEVABLE • SCIENCE

Thomas Jefferson's science program is composed of courses in biology, chemistry, and physics, with an advanced class being offered in physics. Accelerated physics was developed as an introductory college course, employing theoretical physics rather than applied physics. This year, previous chemistry students who desire a broadening of their scientific knowledge assist the instructor in the lab and classroom. This innovation in the chemistry department was developed to benefit the student as well as the instructor. The scientific program at Jefferson illustrates the greater importance being placed on our progress in this field of the future, science.

DEPARTMENT

Thomas Jefferson's English Department strives to teach the student to express himself well in conversation and to comprehend the written and spoken word of others. The study of English is equally as important as that of any other subject, since it is believed that a good foundation in literature and grammar is prerequisite for the well-educated individual. Thomas Jefferson has the opportunity of offering accelerated classes to those students who have the capability and initiative to participate in them. These advanced classes not only offer a wide program of study in literature and grammar, but also develop the students' ability in creative writing and expression.

COMMERCIAL ARTS AND INDUSTRIAL ARTS DEPARTMENTS

The goal of the commercial arts and the industrial arts departments is to train students with principles that they will use in their professional and home lives. Courses offered in Industrial Arts include wood, metal, and electric shops, as well as architectural and technical drawing classes for future draftsmen. Typing, bookkeeping and shorthand are the courses offered under the Commercial Arts Department. These courses acquaint the student with many of the fundamental operations of the business world.

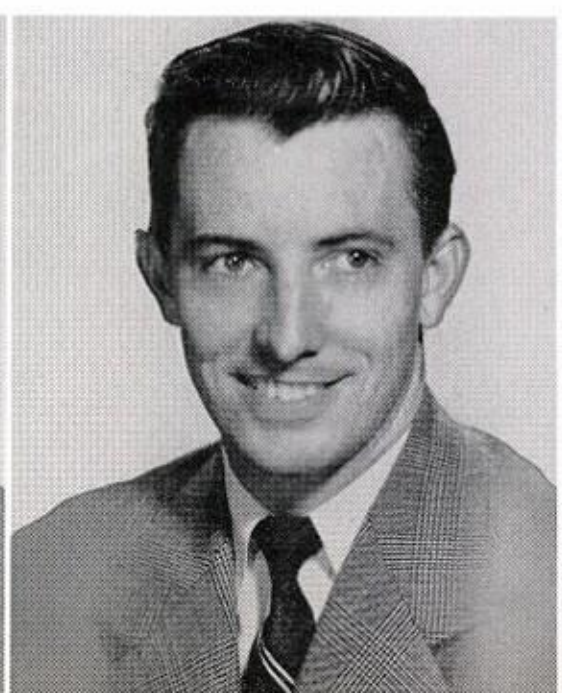
LUCIUS L. COX
B.S., M.S., North Texas State College



During the course of the school year, the fine arts department is privileged to present several productions to the student body and the public. These productions are all part of the efforts of the Music, Art, and Speech departments. In the previous years Thomas Jefferson has produced *Carousel* and *Oklahoma*. This year's spectacular is the *King and I*. The students, aided by the teachers, take great pleasure in participating in these activities.

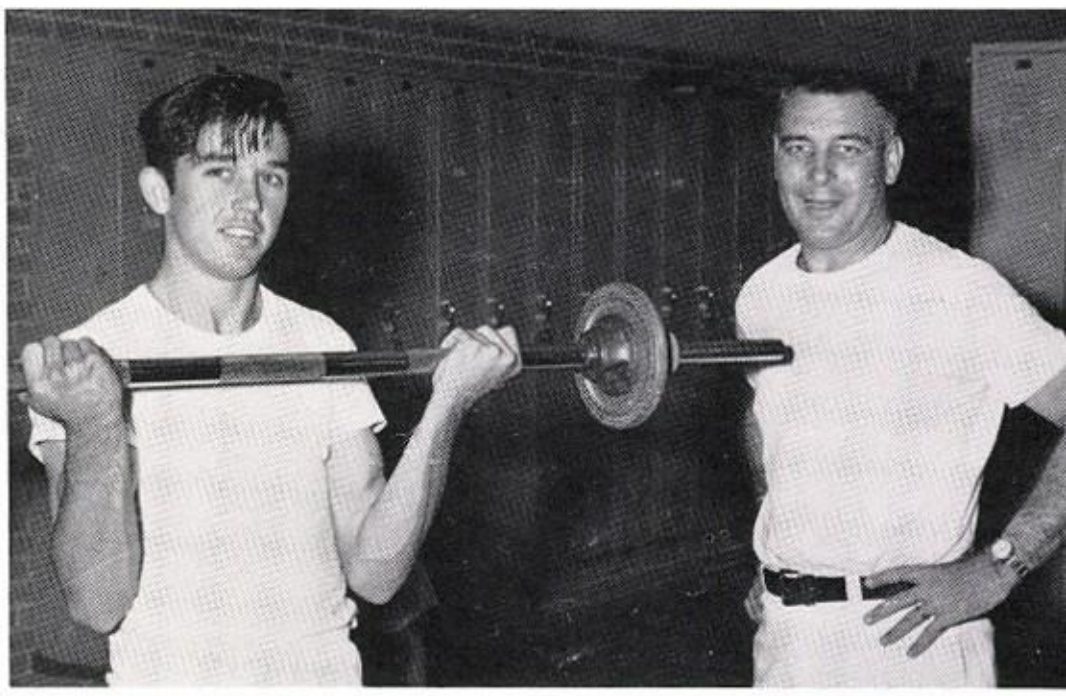
DISTRIBUTIVE EDUCATION DEPARTMENT

BILLE FAYE THOMPSON
B.A., M.A., Austin College, North Texas State, University of Texas

Distributive Education is an organization consisting only of junior and senior boys and girls. These students have chosen careers in the field of distribution in the business world following graduation from high school and college. In this program the students attend school for half a day and train at a job that relates to their studies at school the rest of the day.

PHYSICAL EDUCATION DEPARTMENT

To teach the students to maintain a healthy and active body is the main purpose of the Physical Education Department. Team organizations of football, basketball, baseball, track, and tennis are offered as well as the daily P.E. classes. Special courses are offered in Drivers Education and First Aid. Thomas Jefferson is proud to participate for the first time in the Drivers Training Class offered on Television.



"Just 150 more times."

HOMEMAKING DEPARTMENT

Students participating in home economics classes are fortunate in having modern and well-equipped appliances to work with. The goal of this department is to teach students many practical skills that may be applied now as well as the future.

New Zealand Exchange Student

Tena Koutou from Ao-tea-Roa
(Hi! from New Zealand)

Dear Rebels,

I should like to take this opportunity to thank "ya'all" for making possible for me this memorable and wonderful experience and I have thoroughly enjoyed being amongst the great spirit and friendliness of Rebel-land.

It has been extremely different for me as at home I live on a farm and our largest city is only half the size of Dallas. I had finished high school in an all girls' boarding school where we wore uniforms to school, had eight periods a day but did not have a drill team, a football team or half the Thomas Jefferson clubs and activities.

I have spent this year with the James Lawrence family and from them and from you I have learned so much about American life and I am hoping to see some of you in New Zealand where we don't have tall-tales or cowboys but we have many other interesting things.

Love and Kia ora,

Pauline Lucy

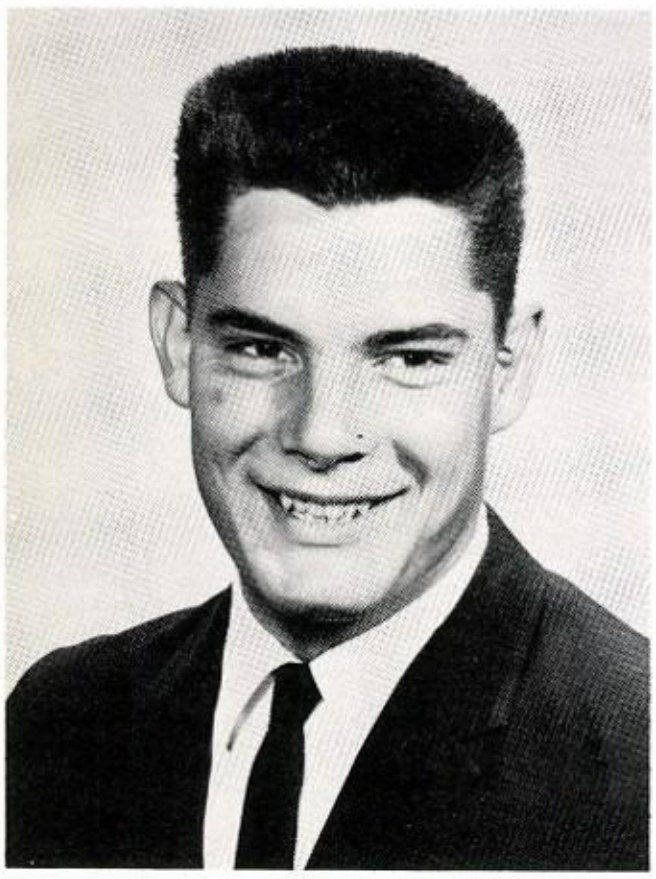
Tim Mitchell, *President*

STUDENT COUNCIL HAS HAD A BIG YEAR!

We . . . won the award for the most outstanding member at the Texas workship at S.M.U.
. . . conducted our own fall workshops for student council representatives
. . . prepared a guide on parliamentary procedure
. . . rewrote the Constitution and By-laws
. . . conducted the orientation of new students
. . . had an active welcoming committee to orient transfers
. . . organized a president's committee to coordinate school clubs
. . . encouraged scholastic improvement through a campaign and Comparative Honor Roll
. . . conducted all school elections

STUDENT COUNCIL IS DEMOCRACY



John Hammond, *Vice-President*

Peggy Jessup, *Secretary*

Carolyn Koontz, *Treasurer*

Tim Mitchell, John Hammond, John French, Carolyn Koontz, Duncan Mason, Ellen Shields, John Watson, Phil Friday, Peggy Jessup, Earl Hale.

Student Council . . . planned the school dances
- . . . were responsible for homecoming activities
- . . . gave service to others through Thanksgiving Baskets and Christmas toys
- . . . initiated a College and Vocational Guidance Center
- . . . kept a school scrapbook of events and honors
- . . . organized a filing system for information on school activities
- . . . attended the Texas Association Convention in Odessa
- . . . helped sponsor assemblies

ARE PROUD AND HAPPY OF THE YEAR!

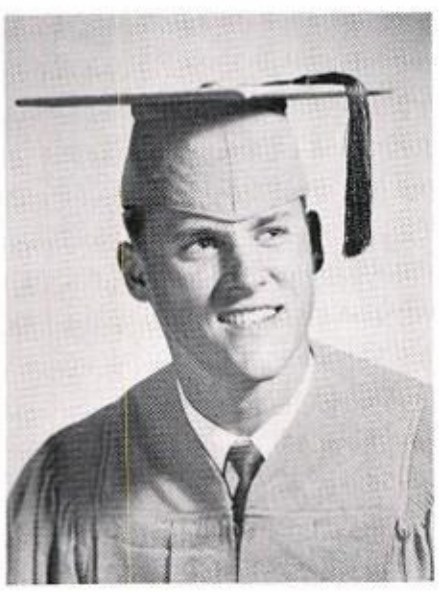
Integrity Is A Sign Of Honor



WAYNE ADAMS

NATIONAL HONOR SOCIETY

The National Honor Society is the highest honor which a high school can bestow upon a student. An overall grade average of B must be maintained, and no grade lower than C on the semester average in any subject must be made. Grades however are not the basis for election to NHS. Students are selected on the basis of scholarship, leadership, character, and service.

SPANISH HONOR STUDENTS SEEK TOLERANCE

SPANISH HONOR SOCIETY

Thomas Jefferson is proud to have a local chapter of the National Honor Society for Spanish students; the chapter is sponsored by the American Association of Teachers of Spanish and Portuguese. Our local chapter named for José Vasconcelas, the creator of Mexico's system of public education, was founded in 1958. From that time symbolic initiations in the fall and the spring of each year have recognized the outstanding scholastic achievements of Spanish students. The Society's motto, "Todos a una," meaning "All together," seeks to encourage members to further their studies of languages, the key which fastens tolerance and understanding of diverse foreign customs.

NEW MEMBERS

FRONT ROW: Geraldine Tiffany, Jean Lewis, Peggy Bradley. ROW 2: Mike Twiehaus, Patrick Boland, Steve Ellis, Jane Jackson, Barbara Shockey.

Quill And Scroll Honors Journalism Students

Quill and Scroll is the honorary society for high school journalists. Election to Quill and Scroll is the highest honor attainable by members of the yearbook or newspaper staff. Only junior and senior students with high scholastic averages and outstanding journalistic achievement may be elected to membership in the organization, which is respected throughout the world of journalism.

FIRST ROW: Tommye Pyland, Jane Anne Nelson, Carol Crosby, David Ritz, Muriel Yaffe. SECOND ROW: Judy Comroe, Lee Hughes, John Hammond, Carolyn Bailey, Marilyn Vaughan, Lin Campbell, Tommy Jones, Joan Ondrovik.

The Key To Success

KEY CLUB

The Key Club, a service organization, is the only boys' club in Thomas Jefferson. It works to better the community and inspire members to be good citizens through working together for a common cause. Its activities include the Heart Fund, Kiwanis Christmas Charity, the March of Dimes, the Blue Cross Organization, and selling First Aid Kits to finance worthwhile school projects.

ENTRE NOUS

MESCAL WILSON
President

ENTRE NOUS

Whatever we may become—scientists, ballerinas, globe-trotters, dress designers, mathematicians, architects, decorators, or painters—we know that the French language is an asset. We also know, *entre nous*, that a better understanding of the culture and customs of another nation is vital. So, we increase our knowledge at our meetings with films, slides, games, songs, and reports. And we climax our year with a banquet—French menu, *naturellement!*

Entre Nous is open to all students now taking or having taken French.

SEATED: Gail Evans, Pauline Price, Mescal Wilson. SPANISH

LOS ENCANTADORES

Los Encantadores, T. J.'s new Spanish Club for second year students, had a fine first year. The only specific purpose of the club being to have a good time, the officers and steering committee of the club developed a program to adequately meet their aim. The club, consisting of approximately 130 students, met downtown for a Mexican dinner, gave a Christmas party for the students, and another party for the less fortunate children at the Latin American Mission. The members of Los Encantadores feel that their first and extremely successful year is a good inclination that the club's future will be equally as enjoyable.

Jo Carol McGehee prepares pinata at Spanish party.

PAN AMERICAN

Some of the activities of Pan American Student Forum include hearing native speakers, endeavoring to improve community relations, and attending the state convention in Austin. The purpose of the Club is to learn the customs and aspirations of Latin American countries in order to help, in a small way, the promotion of better relations with Spanish-speaking countries.

OFFICERS: Mrs. Hiller, Sponsor; Terri Rodgers, Secretary; Kathie Lee, Corresponding Secretary; Kathie Kuhn, Chaplain; Barbara Shockey, Program Vice-president; Carolyn Bailey, Reporter; Jodie Russell, Vice-president for Projects; Carol Harrison, Historian.

Emphasis On Education Attracts Future Teachers

FUTURE TEACHERS

Through Student Aide and Teacher Aid programs, the FTA strives to aid and interest high school students in teaching as a career, based upon the search for high ideals and learning. Hostessing at open house, the rummage sale, the party for orphans, the coke parties, and the Farewell Dinner all helped to establish precedent for future vocations.

Science Opens New Vistas

SCIENCE CLUB

The Science Club endeavors to explore many phases of science through its programs, and to make the science courses offered by Thomas Jefferson interesting and stimulating through outside activities. Also co-sponsor of the Thomas Jefferson Science Fair, the Science Club strives to increase their knowledge of science, to learn to perfect scientific skills, and to understand the importance of science in our lives.

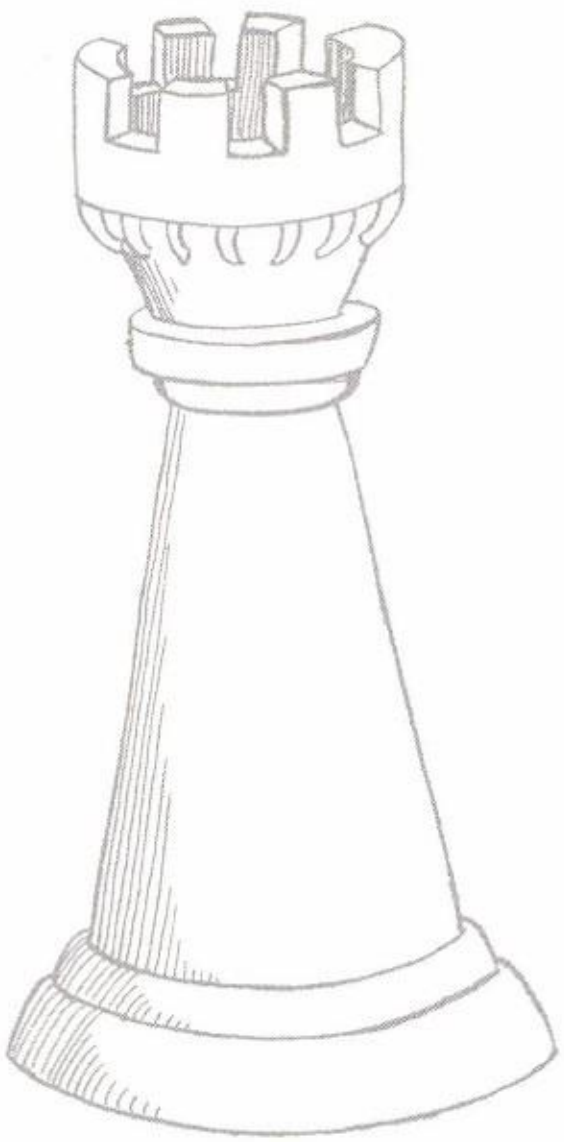
PHOTOGRAPHY FANS ORGANIZE

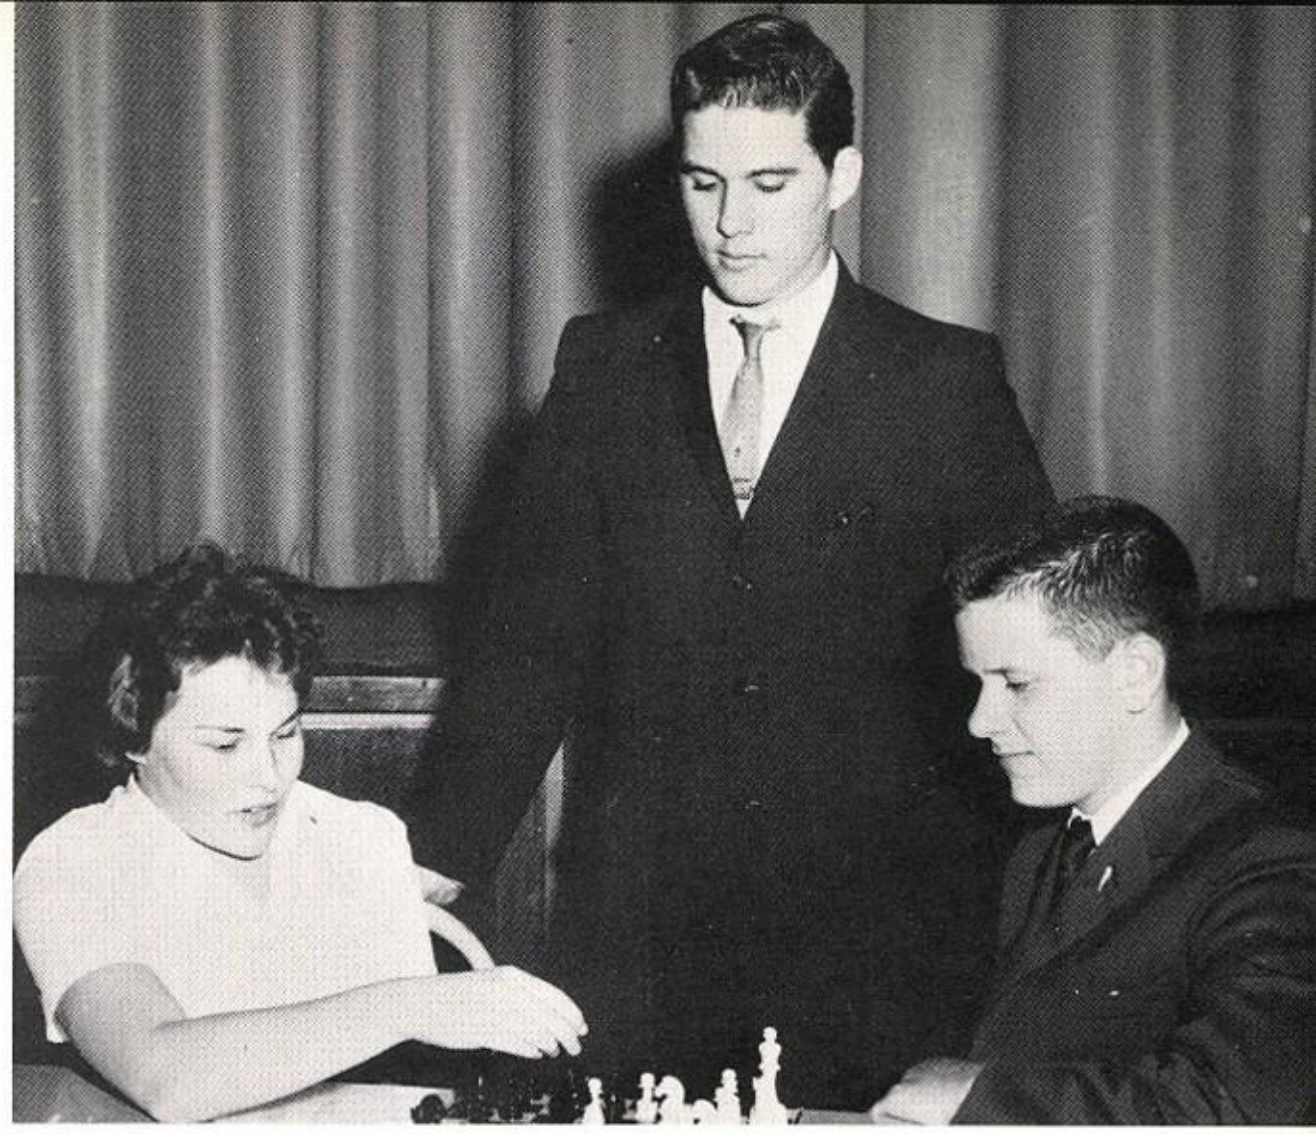
OFFICERS: John Harris, President; Jill James, Secretary; Marston Meador, Treasurer; Lee Hughes, Vice-President.

CAMERA CLUB

The Camera Club, newly organized this year, is a group of students with a common interest in photography and a curiosity to learn more about their hobby. Qualifications for membership are based on interest rather than prior knowledge. The Camera Club helps to give T. J. a diverse and well-rounded program of extracurricular activities.

OFFICERS: Marrianne Schultz, Secretary; Jim Seabolt, President; Jody Ray, Vice-president.





Rebels Rook

CHESS CLUB

Tense moments, terse words, studied action, inspired instruction, pleasurable practice, convivial friends with similar interests —these things and more are the rewards which the Chess Club gives to each of its members. The ageless, engrossing game of chess provides devotees and neophytes alike mental relaxation and stimulation in inter-city competition or after-school games.

FRONT ROW: Mike Freidman, Ralph Thornton, Bob Gechsman, Sanlyn Cooley, Marrianne Schultz, Gail MacDonnald, Patte Roger. Radio Enthusiasts Found Club

RADIO CLUB

To promote a better understanding of the field of amateur radio as well as to provide a common basis of interest are the goals of the Thomas Jefferson Amateur Radio Club. It was founded under the sponsorship of Mr. Jordan in the Spring of 1960 with a charter membership of five and has grown to a club of over twenty members.

STANDING: Mr. Bill Jordan, Sponsor, Gene Cawlfield, Bob Irish, Bill Alling, John Graves, Bob Beckmann. SEATED, ROW 2: James (Skip) Sheffield, Steve Israel, Bobby Terrill, Bruce Gibson, Bruce Dishman, Donnell Koos. FIRST ROW: James (J. L.) Grimes, Janet Thompson, Greg Jenkins, Larry Jones, Brian Johnson, Gene Dempster.

OFFICERS: Nan Kennedy, Treasurer; Abbey Hintgen, Secretary; Marianne Schulty, Vice-president; Jean Hale, President.

LIBRARY SERVICE CLUB

Providing efficient assistance for students and faculty in finding and enjoying the sources of literature and information available in the Thomas Jefferson library is the objective of the Library Service Club. They are especially interested in stimulating an appreciation for good books and in helping to maintain a pleasant, friendly atmosphere for all who come there.

LIBRARY IS CENTER OF LEARNING

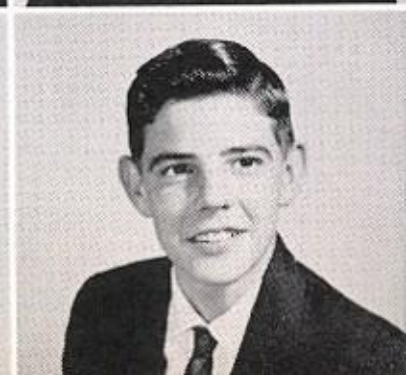
D.E. Gives Working Students Well-Rounded Education

DISTRIBUTIVE EDUCATION CLUB

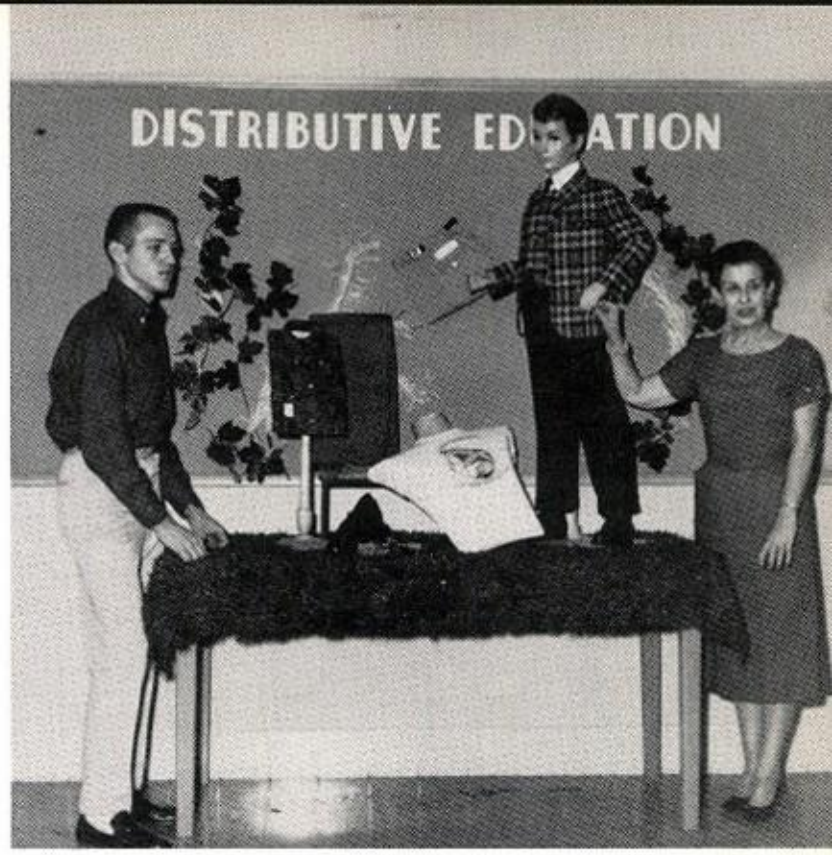
The purpose of this organization is to encourage *all* at Thomas Jefferson to work for a sound, effective Distributive Education program in our school. It is of special interest to students who plan to major in college in marketing, banking, economics, or any field of the business world. Also, the terminal student profits by having a vocation at graduation time.

Outstanding activities of the year were Boss Night Banquet, The Sears Foundation Award Dinner, at which seven of our outstanding members were recipients, and The Dallas Sales Executive Club Dinner at which three of our members were honored.

FIRST ROW: Larry Bruner, Ronnie Childess, Dennis Cook, Ronnie Carroll, Theodore Cowley. ROW 2: Ruth Devers, Vince Duncan, Jim Floyd, Roger Hanna, Glenda Hathaway. ROW 3: Stan Johnston, Judy Kidd, Jeanne Kimbriel, John Lemburg, Tommy Mayberry.



Elizabeth Colburn and Arnold Hayes display women's accessories.



Lloyd Satterfield and Miss Thompson show attractive merchandise display.

TOP ROW: Jerry McKevitt, John Rutledge, Mary Ann Shay. ROW 2: Duff Simpson, Bobby Smith, Don Smith, Ronnie Smith, John Stevens. ROW 3: Kindel Tatum, Charles Thompson, Robert Tun, Mack Warren, David Veretto.

TOP ROW: Ryan Allen, Bob Beckmann, Michelle Burns, Marilee Cass, Gwen Childers, Mike Collins. ROW 2: Cindy Cook, Gloria Cope, Arabella Craddock, Priscilla Cross, Anne Franklin, Richard Freed. ROW 3: Mike Friedman, Pat Gibbs, Mary Ann Gleason, John Harris, Karen Harrison, Heather Honan. ROW 4: Alan Hill, Bobby Houston, Jimmye Sue Hudgins, Celeste Irwin, Judy Jarog, Russell Kirkpatrick.

THESPIANS ENLIGHTEN SCHOOL WITH DRAMA . . .

With the growth of the Jefferson Student Body and improvement of the speech and drama department an important change has come in the Thespians. Instead of incorporating both a speech and drama club, the Thespians is now devoted entirely to the dramatic arts. Through frequent trips to theaters and discussion of plays viewed; clinical acting before the group, with creative criticism freely given; the production of an Evening of One-Act Plays, done entirely by the Thespians; and the formation of a Scholarship Fund to be given each year to the Thespian elected Most Outstanding by fellow members, the Thespians has become an organization of high esteem and great benefit to those interested in the creative art of drama.

One of the many monthly meetings!

Mrs. Penry,
Y-teen sponsor,
always on the
go!

Y-TEENS

"To grow as a person.
To grow in friendship with people of all races, religions, nationalities,
To grow in the knowledge and love of God."
These are the goals of Thomas Jefferson Y-Teens.

Y-Teens during the current year have strived to reach these goals by undertaking service projects, including Halloween "trick-or-treating" in three Dallas hospitals, Thanksgiving family projects for needy persons, Christmas toys for underprivileged children and making wreaths for the support of Dallas Cancer Fund Drive. YWCA world service contributions were raised during the annual dance.

Y-Teens serve the student body through presentation of the weekly school devotions and three daily lunch graces.

All senior high school girls are eligible for membership in the Thomas Jefferson Y-Teen Club, which is the largest in the nation. (400 members)

Parent Sponsors: Mrs. R. C. Glew, Mrs. J. E. Lloyd, Mrs. H. S. Nelson, Mrs. David Smith, Mrs. Robert Saxon. Faculty sponsors: Mrs. Irene Penry and Miss Freeman Gunn.

We just can't face reality.

THE ART SERVICE CLUB

The Art Service Club of Thomas Jefferson strives to fulfill its multiple goal of serving T. J. by answering the needs of the school in the realms of craftsmanship, originality, creativity, and design. Decorating for the Valentine and Homecoming dances and making scenery for the Senior Play and "The King and I" are a few activities which the Art Service Club has done this year in an effort to create an interest in art and creativity.

Now this is a decay germ.

SUCCESS . . .

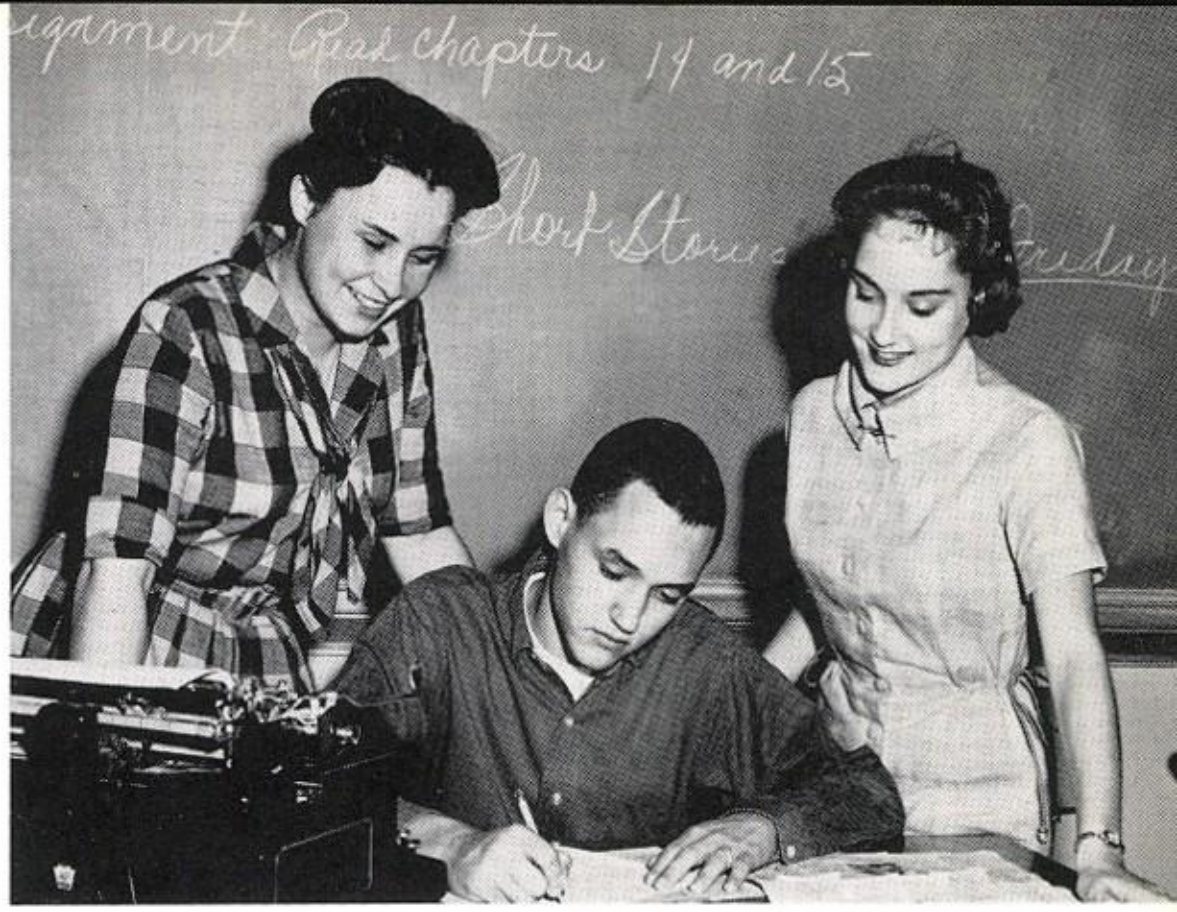
REVEILLE

The Reveille, at the time of this writing, is in the midst of its most successful year. Having doubled its circulation over last year's figures, the Rebel newspaper has averaged a total sale of three-quarters of Jefferson's total enrollment of 1500 copies sold per issue. In addition, for the first time in the school's history, the Reveille has published two eight page papers and four six page editions the first semester alone.

Credit must be placed in the hands of the hard-working staff whose enthusiasm, love of their work, and will to give Thomas Jefferson a newspaper of lasting stature never has diminished. The Reveille has attempted to do journalistic justice to the fine Rebel reputation and to be the ears and eyes of our students.



Joann Ondrovik, David Ritz, and Muriel Yaffe discussing the topic of journalism.

Charles Mathews, Judy Comroe, Carolyn Bailey, Heather Honan, David Ritz are putting the "Reville on the Run" while David Sturgiss supervises.

Muriel Yaffe, Sue Karr, Judy Comroe, Joann Ondrovik, Carolyn Bailey, Heather Honan, Lela Dix, Gayle Jacobie, Jane Anne Nelson are busy preparing "Prime Roast Ritz" for dinner.

CAROL CROSBY, Editor

With the addition of a new filing cabinet, a new camera, two new porportion wheels, a new sponsor, and almost all new staff members we also present an all new Document.

Traditions have been maintained however. The usual curiosity of non-staff members in the annual business has been partially stifled by a forboding skull and cross bones sign on the door; the unexpected flash of a camera is still seen around T. J. as Lee Hughes takes his snappy casuals; the rush to meet deadlines and the constant attempt at organization remains. Above all lies the intense desire of the whole staff: to get an annual to the student body of which they can be proud, and in which they can recall events and people of the whole school year, and to maintain the past traditions of excellence attained by our Thomas Jefferson *Document.*

Document Takes On

LEE HUGHES, Assistant Editor

John Hammond crowns Byron Davey "King of the Annual Staff for a day."

ANNUAL STAFF

Carol Crosby, Editor, instructs her hard working annual staff which include Tommy Jones, John Hammond, Tommy Wilder, Lin Campbell, Barbara Glew, Anne Walters, Sherry Carwile, Byron Davey, Sharon Austin (at rest), and Mike Twiehaus.

SPRING STAFF

New members of the Annual Staff at mid term include Ann Ray, Joann Androvik, Jim Bell, Win Campbell, Steve Cook, Jay Bates (standing).

Lin Campbell, Anne Walters, and Sharon Austin work busily to get their sections finished for the deadline.

Barbara Glew, "the Gleeful Dictator," instructs Sherry Carwile and Mike Twichaus on the topic of "how to put an annual together."

John Hammond in one of his better days.

Carol Crosby's own neat little filing cabinet.

Tommy Jones prepares to help Business Executive Tommy Wilder on a "busy Monday morning."

With the publication of the first edition of the DOCUMENT, a tradition was established to recognize those whose contributions to its success proved especially outstanding. THE DOCUMENT AWARD honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected. Seven charter members were elected; in their honor, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

Reb Belles Boost School Spirit

REB BELLES

The Reb Belles, Thomas Jefferson's outstanding and spirited drill team, has finished another year filled with intricate dance routines and spectacular performances. Led by Captain Emily Pigman and directed by sponsor Miss Sarah Hardy the Reb Belles performed at all football games, in parades, and for civic organizations. Among these were the Christmas and New Year's parades, the annual Cotton Bowl Parade, and the competition for city honors. The drill team supports the major sports activities both by spectator participation and in pep assemblies. The year was completed with the annual banquet and the selection of the new officers, managers, and members.

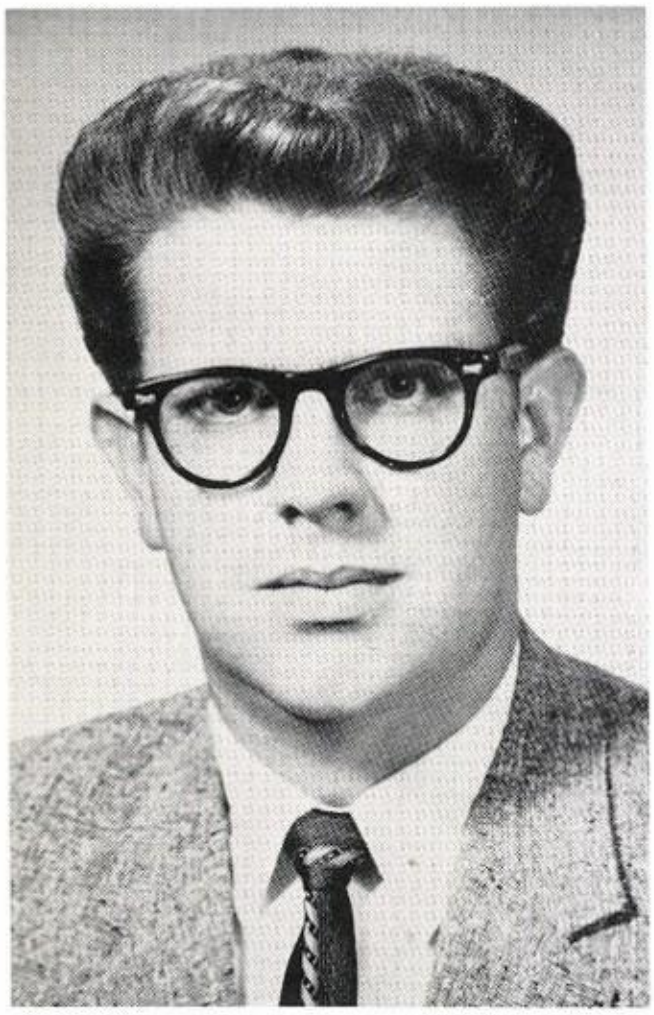
Reb Band Excels Again . . .



MR. HARGUS
Band Director

REBEL BAND

The Rebel Band, a colorful representative of Thomas Jefferson in it's blue and red West Point Dress, strives to create enthusiasm and loyalty among the student body and bring honor to its school. Led by Drum Major Bobby Houston and directed by Mr. Harold Hargus, the band performs at all football games and several civic functions including the Christmas and New Year's parade in downtown Dallas. Through the annual band concert and the pep assemblies as well as at games, the band brings Jeffersonians much pleasure.

Assistants Aid All

ASSISTANTS

The clinic, office, and lab assistants are major factors in the development of our smoothly run and well organized school. The clinic assistants help Mrs. Childs maintain health records of all Jeffersonians and keep the clinic clean and neat, while the office assistants aid Mrs. Cooper by picking up daily reports, delivering call slips, taking messages to teachers, and innumerable other activities. The lab assistants are a useful help in conducting experiments and in taking care of the labs.

CLINIC ASSISTANTS

FRONT ROW: Margaret Wallace, Margie Watson, Betty Cain, Toni Aguilar. ROW 2: Martha Cross, Martha Keagy, Geraldine Tiffany, Barbara Birmingham. Not pictured: Kathy Harbour, Madelaine Blakes.

LAB ASSISTANTS

Gene Cawfield, Arthur McCray, Johnny Komdat, Don Loewen, Marston Meador, Ronnie Reed, Eddie Parma, Ralph Thornton, and Steve Arnold are the faithful lab assistants who keep the school from being blown up.

Girls' Chorus, First Step to Fame

The Girls' Chorus, a necessary part of the music department, gives members special training which will enable them to become leaders when they move up to Concert Choir. The girls give programs for special groups and take part in assemblies.

NATIONAL DEFENSE CADET CORPS

The National Defense Cadet Corps has as its mission the training of young men in intelligent leadership and citizenship through orderliness, precision, and self-respect.

This year was a year of advancement in the N.D.C.C. at Thomas Jefferson. The size of the corps has doubled since last year, with an enrollment now exceeding 200. A military band was established for the first time. In competition, the N.D.C.C. at Jefferson earned the Best Regimental Award, an honor presented to the Dallas high school offering the best military program. In rifle team competition, Don Myers fired the highest score in Dallas, a testimony to the training of T. J.'s N.D.C.C.

COACHING STAFF
Harold Bartlett, Allen Kirk, Floyd Mechler, Herman Cowley

Glory in football cannot be achieved by winning the game only; this is not enough. Glory is a feeling a person gets when he knows that he has done his best "under fire." Using such a measure for evaluating this year's football team, anyone could see that they fought in the best Rebel tradition.

"There is a thin line between victory and defeat." And so Jefferson discovered this year in games against Sunset, Sherman, Woodrow, and Bryan Adams—all just one point or one touchdown away from victory.

Rebel tri-captains this year are Jimmy Carr, a standout on offense and defense, Don Crowder, one of the city's top quarterbacks, and Steve Robertson, an excellent linebacker and center.

No football team can function without coaches. Thomas Jefferson has been blessed with the best: Herman Cowley, Allen Kirk, Harold Bartlett, and Floyd Mechler.

A Grudge Game Lost

HIGHLANDER STADIUM — As any football fan will testify, the final score of the game doesn't always tell the complete story. This year's Highland Park game was just such a game. Throughout the entire game, the Rebel defensive machine provided an almost impenetrable wall which repulsed most attacks at the middle of the line. This defensive rock was led by Pete Kemp and Charlie Standifer. The Rebel offense never got rolling with full force, although the Rebs almost scored from the 8-yard line in the last quarter. The Rebs suffered their first defeat this season, a 27-0 loss.

Grin And "Bear" It

SPRAGUE—The Rebs faced one of the top undefeated teams in Dallas Friday night. The Golden Bears racked up 20 points in the first half. A Crowder pass to Coleman Juett in the second quarter, with McClain kicking the extra point, gave Jefferson its only score in the game. The bottom seemed to fall out in the second half, however, and the Rebels couldn't recover fast enough to strike back. This was the Rebels' worst defeat of the year, 54-7.

Kimball Crushed

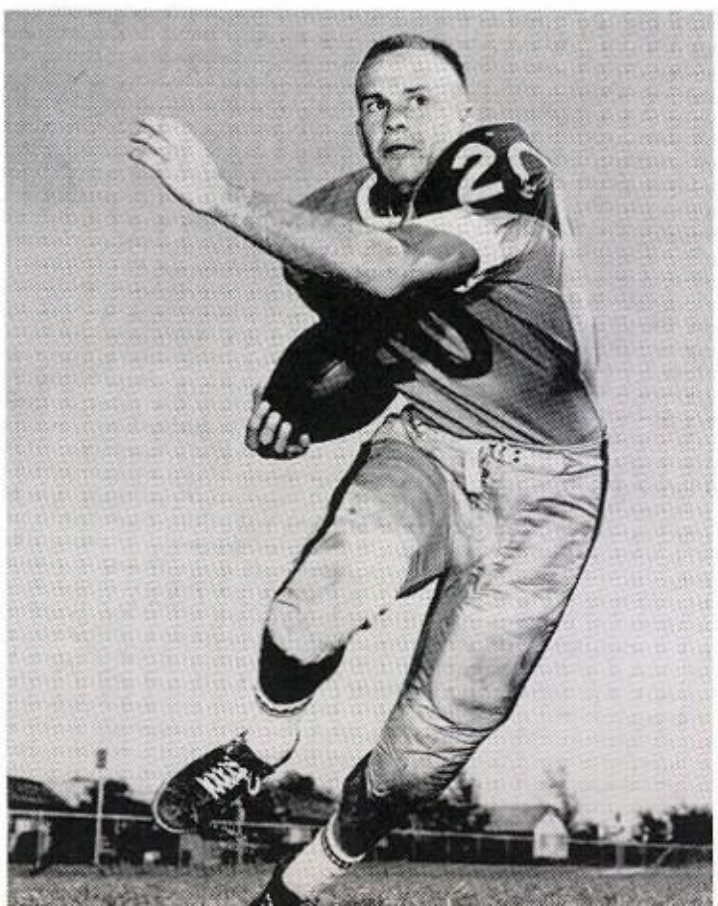
SPRAGUE — It seems that the Jefferson Rebels had had their fill of losing and so they took their wrath out on the undefeated Kimball Knights. Before the game was over, the Knights were wishing they had stayed in bed and that Donnie Crowder and Sid McClain had done the same.

Crowder scored the first touchdown and passed to Archie Massey for the second. McClain scored on a 36-yard scamper with tremendous blocking. Eddy Bristow turned in an excellent performance on offense and defense.

Kimball, previously undefeated, got their armour dented with a loss of 27-8.

A gang-tackling spree

SID McCLAIN



DONNIE CROWDER

September 30, 1960

A Hard-Fought Stale-Mate

FRANKLIN FIELD — The Rebels played their fourth game of the season Friday night in the traditional brawl with the Bisons. Crowder ran 15 yards for a touchdown in the second quarter. There was no score in the third quarter, but in the fourth quarter things started to happen. Jeff cut loose with an 8-play, 61-yard drive, climaxed by an excellent run by Crowder which tied the game 14-14. Dick Williams and Jimmy Ellington played an outstanding game as did the entire team.

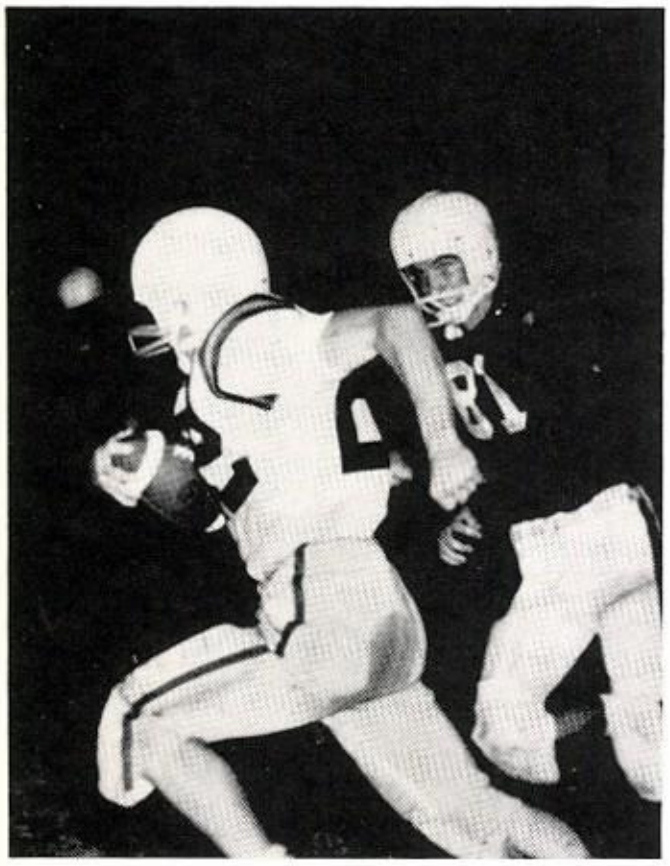
DICK WILLIAMS

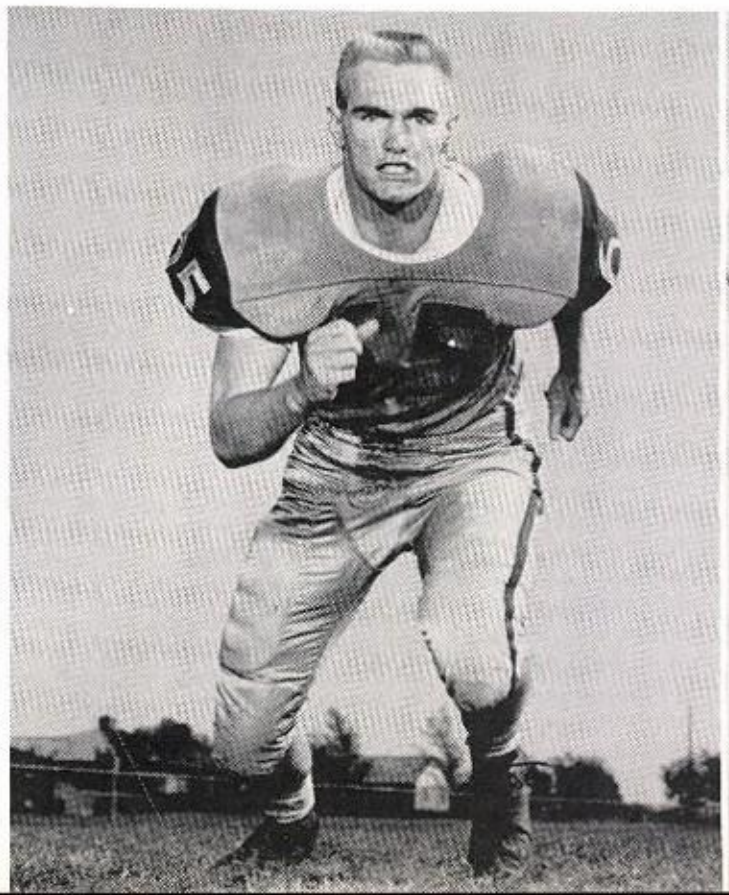
October 7, 1960

30-Second Fever

SHERMAN — The highly-rated Sherman Wildcats were surprised and disturbed by a fighting Rebel squad. The rug was pulled from under their feet in the first quarter when a 63-yard drive was climaxed by a score and conversion by Sid McClain. The Rebs went ahead again in the third quarter when Jim Lawrence plunged over from the 1. The fighting Rebs came from behind again in the fourth quarter with a touchdown and conversion by Don Crowder. The last 30 seconds told the story, however, and Sherman managed a desperation touchdown to win 26-21.

EDDY BRISTOW





October 14, 1960

A Tussle With The Giants . . .

FRANKLIN FIELD — Fighting the Spartans was like ramming one's head against a brick wall. The Rebels showed promise in the first quarter, however, by holding the Spartans scoreless. Coleman Juett made a 5-yard scamper to paydirt for a Rebel score in the third quarter. Don Crowder passed to Juett for the conversion.

Dick Williams, blocking an attempted Samuels extra point kick, played an alert defensive game. Steve Robertson and Jimmy Carr were also standouts on offense and defense.

The Spartan bunch simply overpowered the Rebs by racking up 40 points to Jefferson's 8.

October 20, 1960

One-Point Heartbreak

COTTON BOWL — A touchdown by Lawrence and an extra point kicked by McClain put Jefferson in the lead until the last 3 minutes of play. At this time, Woodrow intercepted a pass from Crowder and ran to the Rebel 5-yard line. They scored from the 4 and ran for the two extra points, which made the score 14-7. At this point, Jefferson rallied and began a determined march to the goal line. When the Rebels moved the ball to the 1-yard line, Crowder went over for the score. The conversion by Crowder failed just short of the goal line as the game ended 14-13, Woodrow.

ARCHIE MASSEY

BUBBA MYERS

October 27, 1960

Edged Out

FRANKLIN FIELD — The Coach has said, "It's desire that counts in winning the game." Of course, that's not the determining factor. If it were, the Rebels would have certainly won. Jefferson fought the Panthers to the last ditch and only allowed them 8 points in the entire game.

The Rebs threatened twice in the first period, reaching the Hillcrest 26 and 20 yard lines. Don Crowder recovered a fumble to end a Hillcrest drive in the third quarter. Jimmy Ellington intercepted a Panther pass in the last quarter, halting their longest drive.

Jimmy Carr, Ben Johnson and Eddie Bristow were standouts on defense, holding the score to 8-0.

"Go get him, Steve."

"Don't worry, boys, I've got the beat."

Nip 'n' Tuck Duel

FRANKLIN FIELD — If this year's homecoming crowd wanted to see an exciting game, their wish certainly came true. After being nipped (8 points worth) by Hillcrest two weeks ago, the Rebels were ready for a victory. However, the Cougars must have been in a similar mood as seen in the final score of 27-27.

Jefferson was the first team on the scoreboard early in the second quarter when an alert Steve Robertson snatched a Cougar pass. The Rebels headed for the goal line and Jim Lawrence made the score.

Two Cougar scores later, the never-give-up Rebel bunch scored on a 34-yard pass from Don Crowder to Tom Price. Dick Williams blocked a kick, picked it up, and scored in the third quarter when the Rebs were one point behind.

Sid McClain climaxed a 70-yard Rebel drive in the fourth quarter with a score and the extra point, tying it all up 27-27.

A frantic struggle.

Bisons Revisited

SPRAGUE—It was a bolt of lightning (better known as the Rebels) that struck the Bisons while they were grazing the other night. Flash! . . . Don Crowder scored on a 16-yard run in the first quarter. Second quarter . . . crack! . . . a pass from Crowder to Tom Price — another touchdown! A Reb recovers a Bison blunder; Boom! . . . Crowder hits Juett for a 24-yard touchdown pass.

Price intercepts a stray toss . . . two plays later, Teagarden to Spence —and a score! McClain has converted four times. Half time . . .

Third quarter . . . Crowder hits Juett . . . another score. Crash!—Jimmy Ellington streaks 47 yards for the fifth score.

Roar! . . . John Watson to Jim Morrell — the final score, and the Bison electrocution was ended with third-degree burns. Scorewise, the result was 48-6.

Johnny Yarborough

A hustling Rebel team was in the winner's circle every time but six this year. Jeff Cagers won the Dr. Pepper Tournament, came in second in the Irving Tournament, third in District, and consolation in the Garland Tournament.

With only two seniors graduating, the Rebel squad should do even better next year.

All-City Honorable Mention

A scramble for the ball.

Steve shoots high.

Larry leaps.

DOUBLE-VICTORY

JEFFERSON—74
WOODROW WILSON—54 January 4

The hustlin' Rebel team was simply too much for the Wildcats and their efforts paid off with the highest score to this date in a District game, 74 points. Bob Glover was high point man with 17 and Dexter Marble was close behind with 14.

JEFFERSON—72
WOODROW WILSON—63 January 19

The Rebel team again proved to be more than a match for the Wildcats. Dexter Marble played a wonderful offensive game racking up 24 points. Bob Glover also scored 20 points.

Revenge In The End

JEFFERSON—49
BRYAN ADAMS—56 January 7

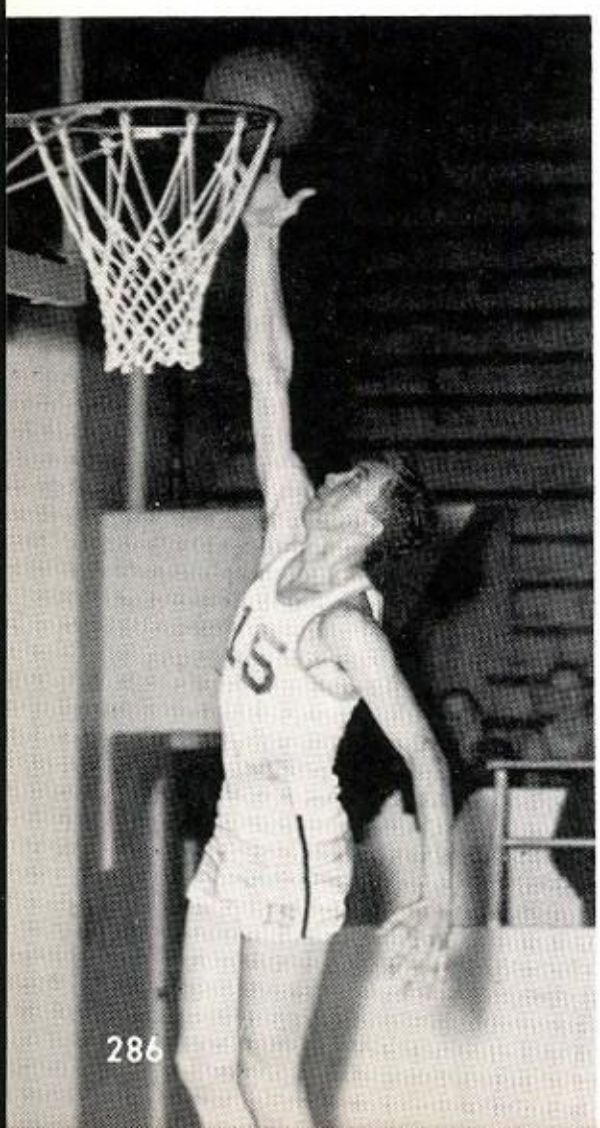
Jeff suffered its first defeat in District play when they lost a squeaker to Bryan Adams. Larry Elsey was the leading scorer for the Rebels with 14 points, and Eddie Dominguez also scored in the double figures with 10 points.

JEFFERSON—63
BRYAN ADAMS—42 January 27

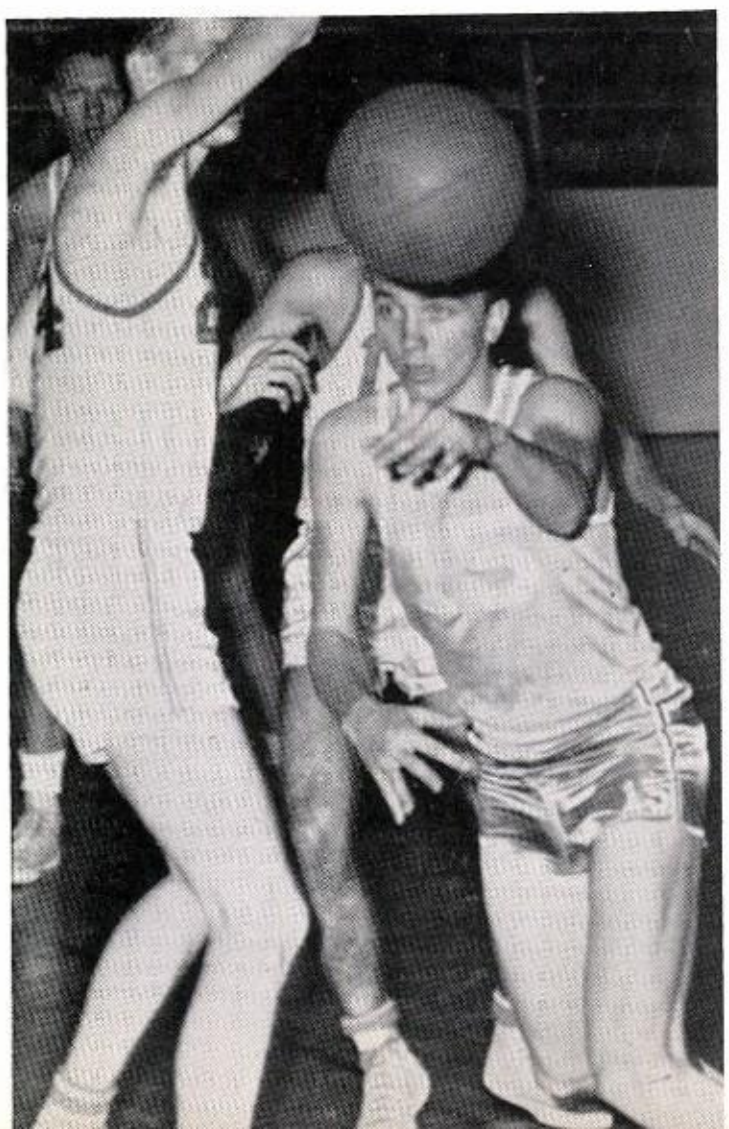
The Cougars found it was harder to beat the Rebels in their second meeting. Eddie Dominguez scoring 17 points was really host in this game. Dexter Marble accounted for 12.

Leaping high.

Elsey puts one in.



Wake up, Larry!



The Neighborly Brawl

JEFFERSON—34
HILLCREST—61 January 11

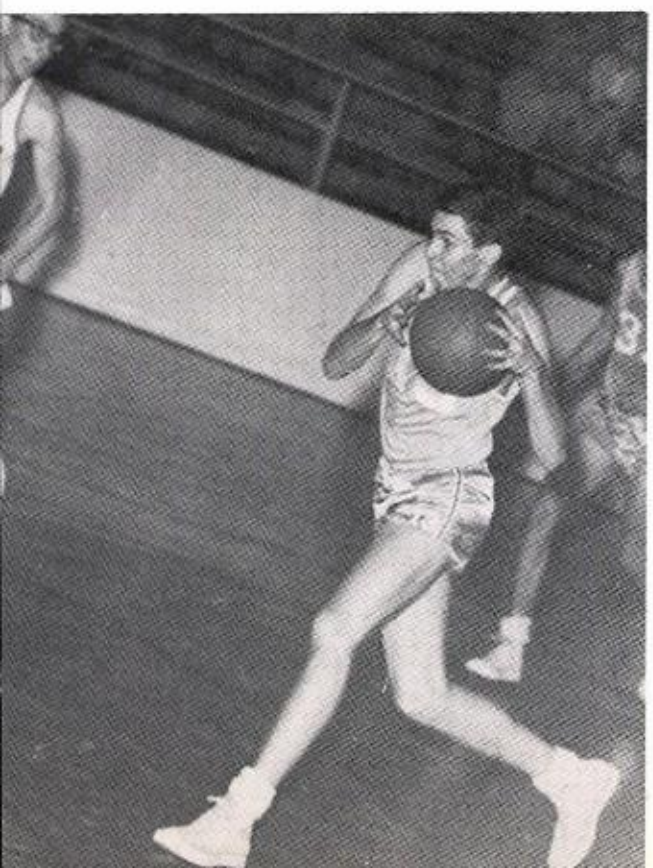
Hillcrest's Panthers avenged their defeat in the Dr. Pepper Tournament in their first meeting with the Rebels in District competition. Eddie Dominguez and Bob Glover were high point men for the Rebels. They each accounted for 14 points.

JEFFERSON—53
HILLCREST—43 January 31

In their second meeting with the Panthers the Rebels made up for a previous defeat. After trailing the opening minutes of the game, the Rebels pulled ahead and stayed there. Bob Glover and Glenn Middlebrooks paced the Rebels with 11 and 10 points respectively.

An elbow in the face
is what you need!

Baker's driving
on through.



There's no stopping
Bob Glover

Jump, shoot, score.

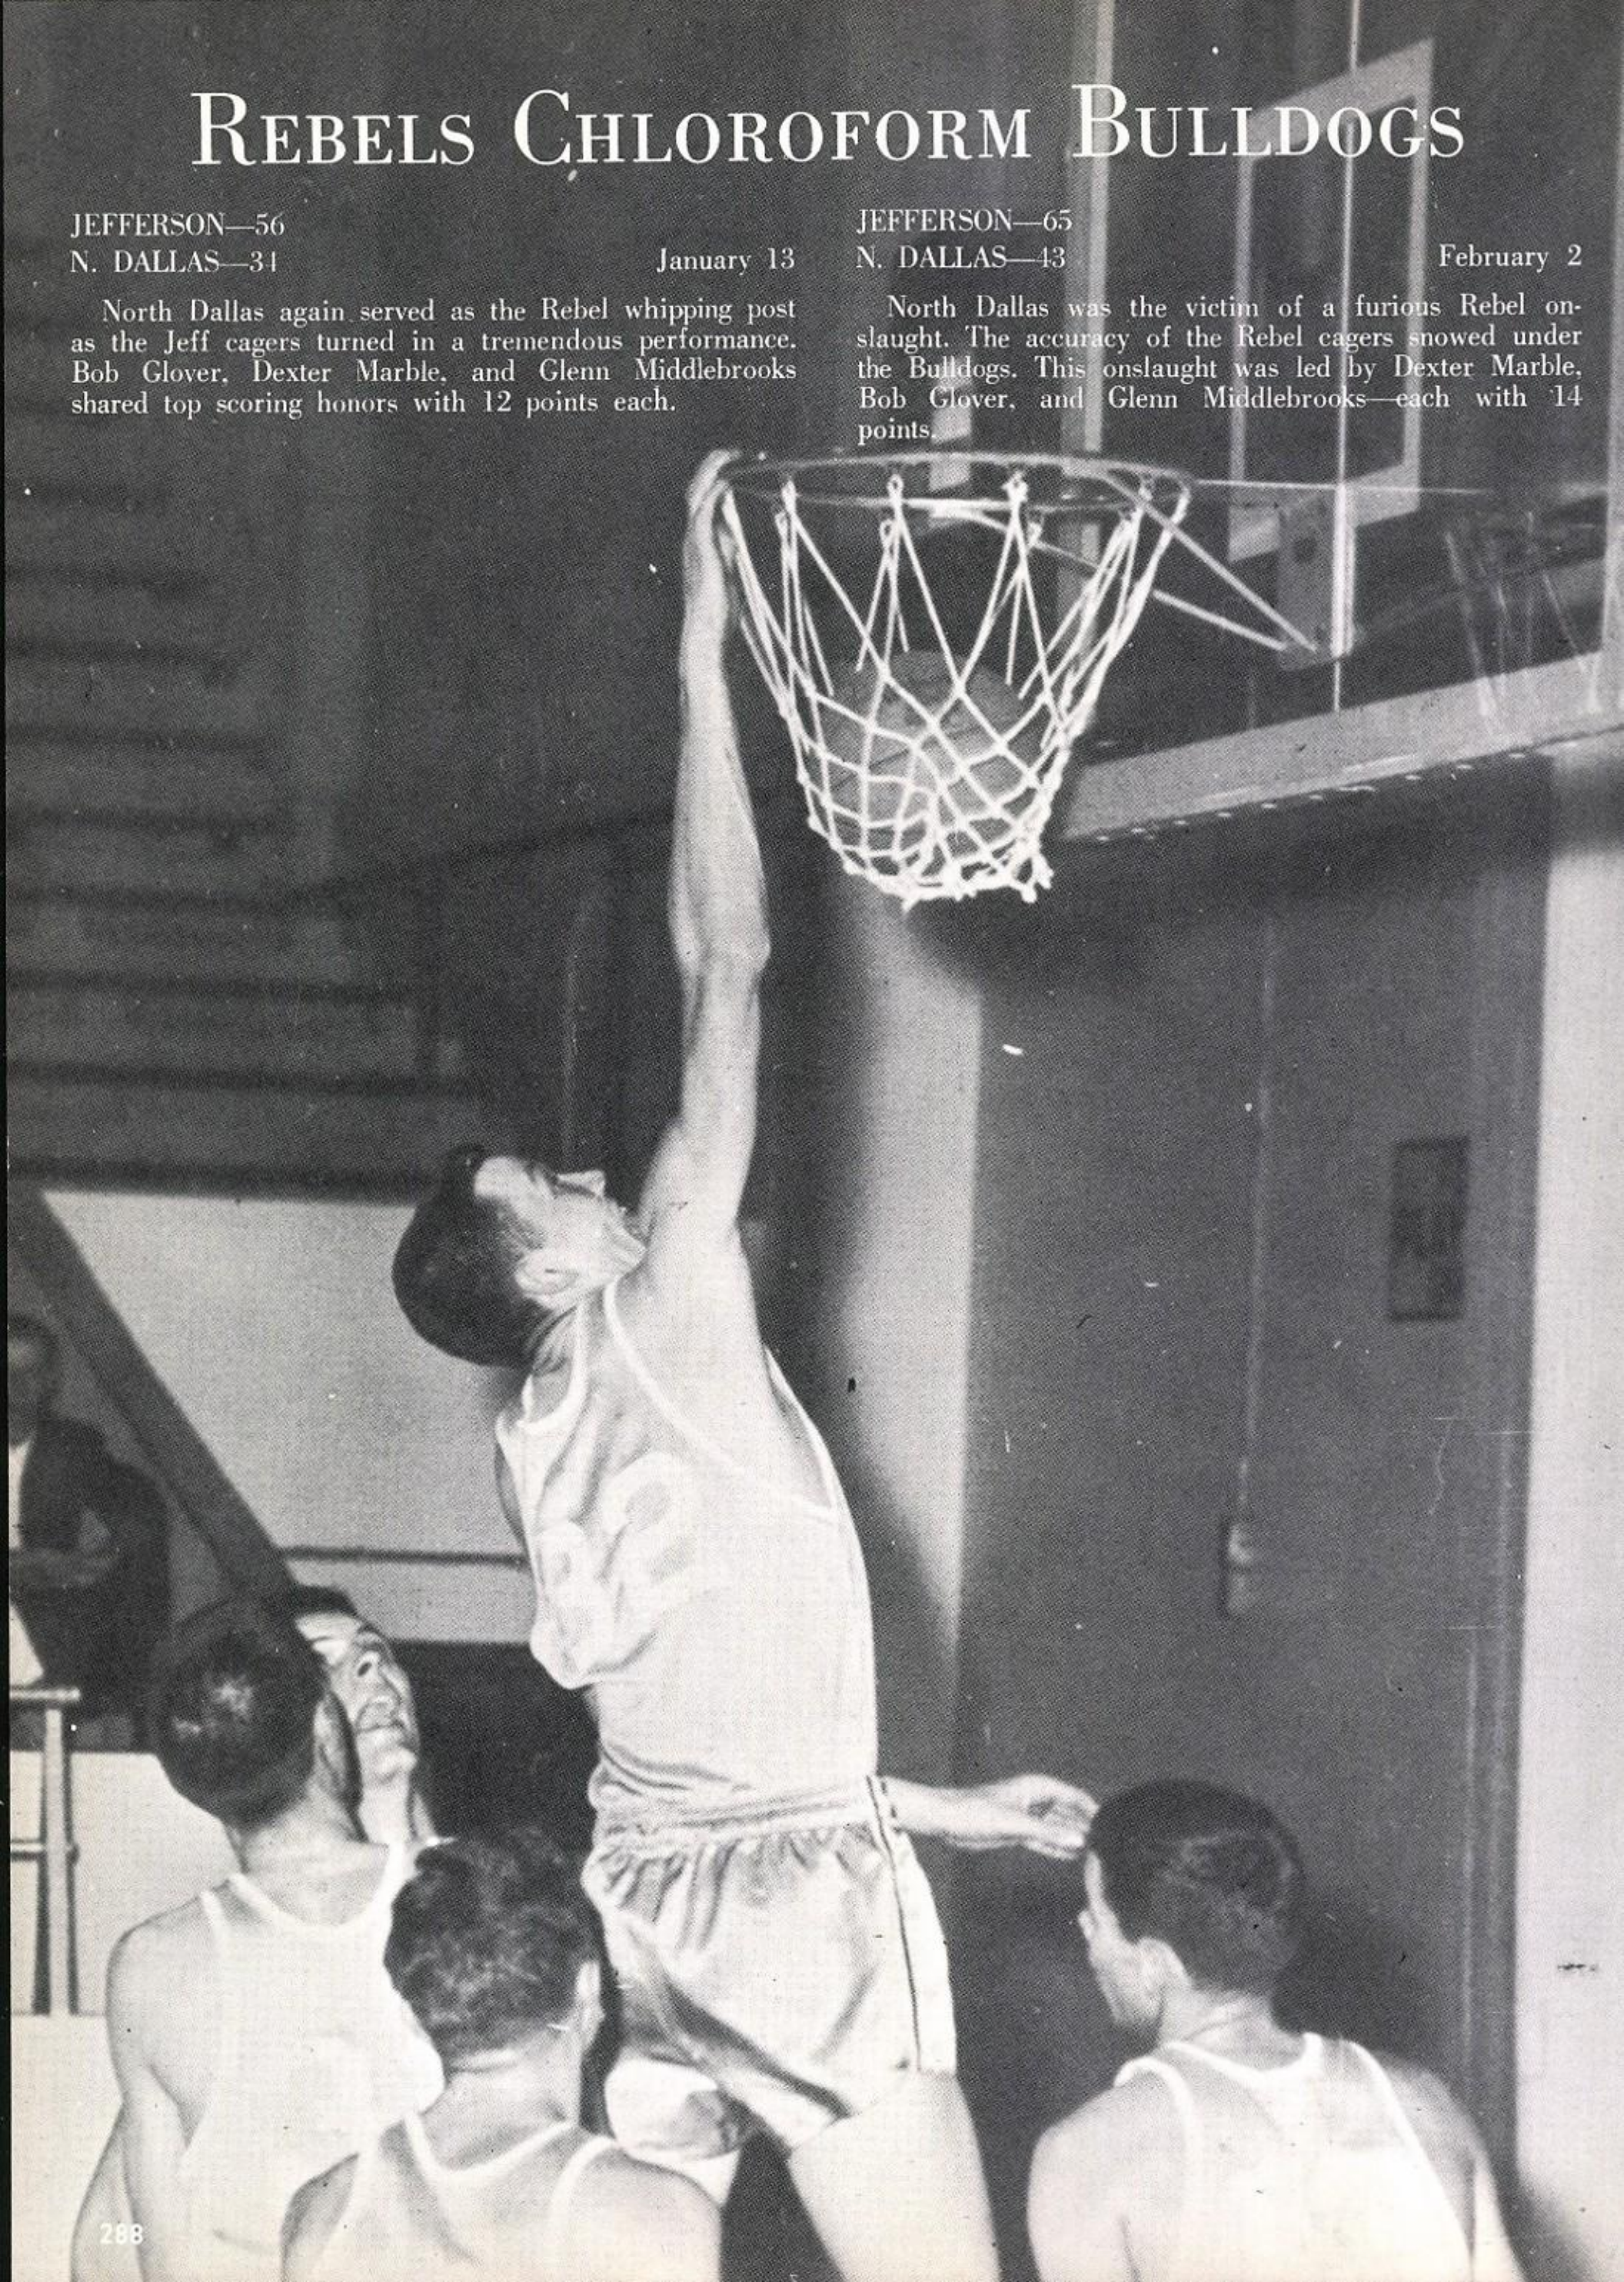
Rebels Chloroform Bulldogs

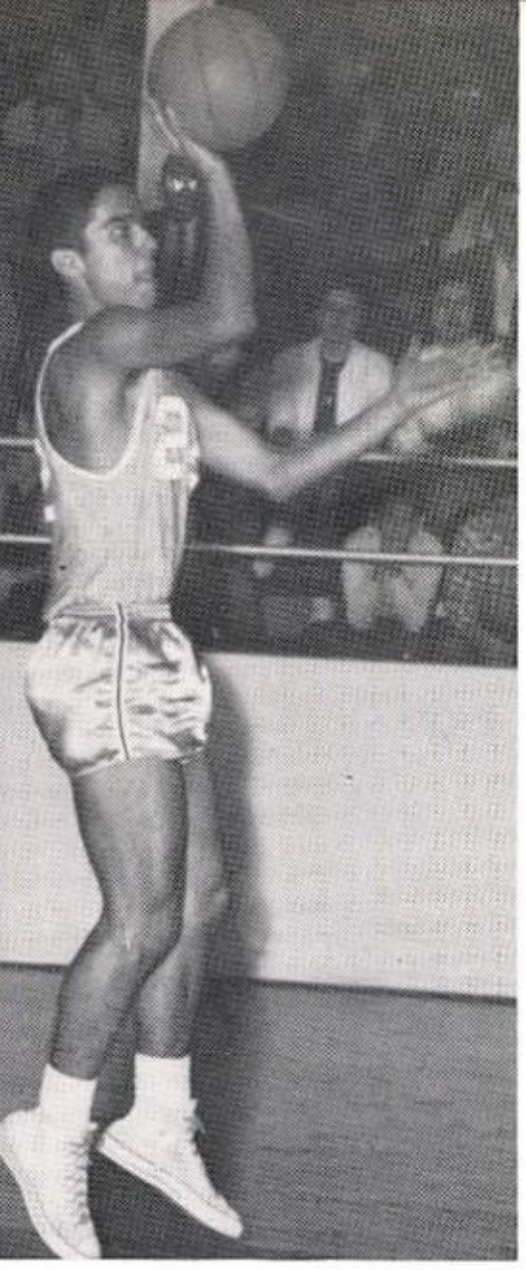
JEFFERSON—56
N. DALLAS—34 January 13

North Dallas again served as the Rebel whipping post as the Jeff cagers turned in a tremendous performance. Bob Glover, Dexter Marble, and Glenn Middlebrooks shared top scoring honors with 12 points each.

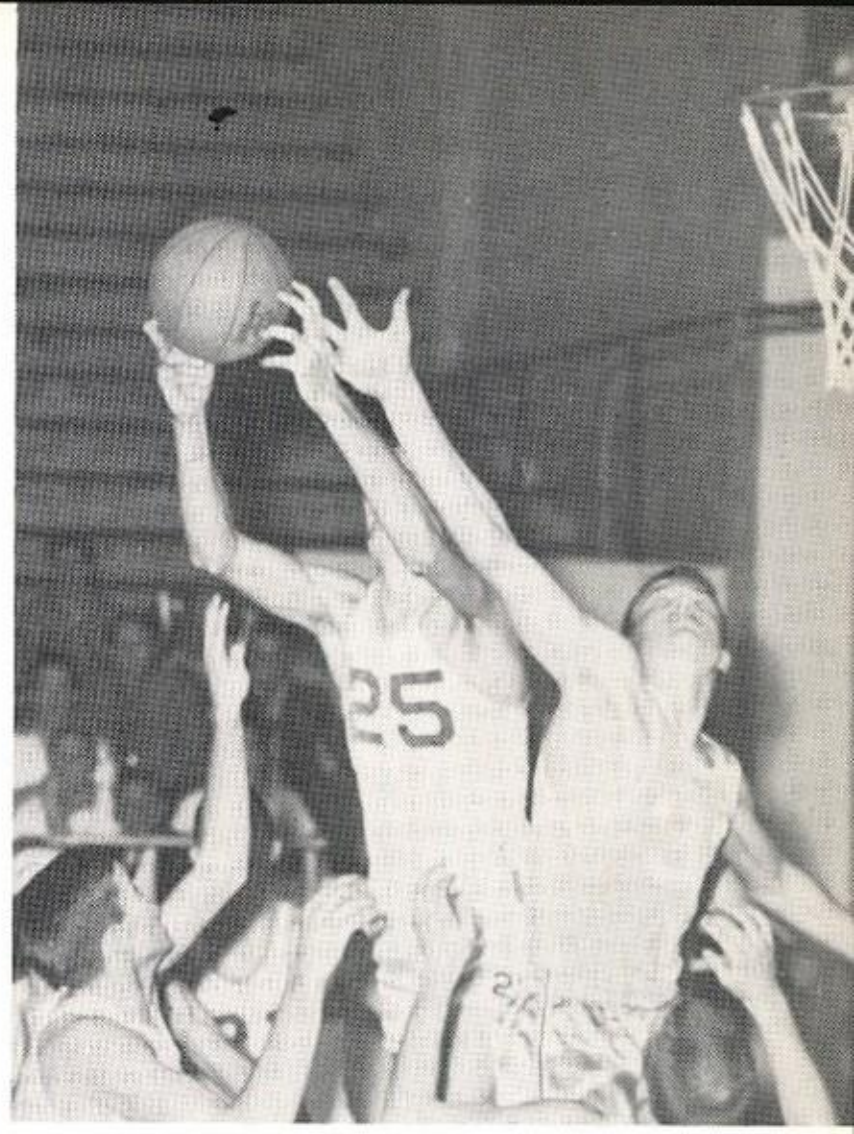
JEFFERSON—65
N. DALLAS—43 February 2

North Dallas was the victim of a furious Rebel onslaught. The accuracy of the Rebel cagers snowed under the Bulldogs. This onslaught was led by Dexter Marble, Bob Glover, and Glenn Middlebrooks—each with 14 points.





Precision jump-shot;
Dominguez-styled.



Grasping for possession.

Into Each Life . . .

JEFFERSON—39
SAMUELL—60 January 16

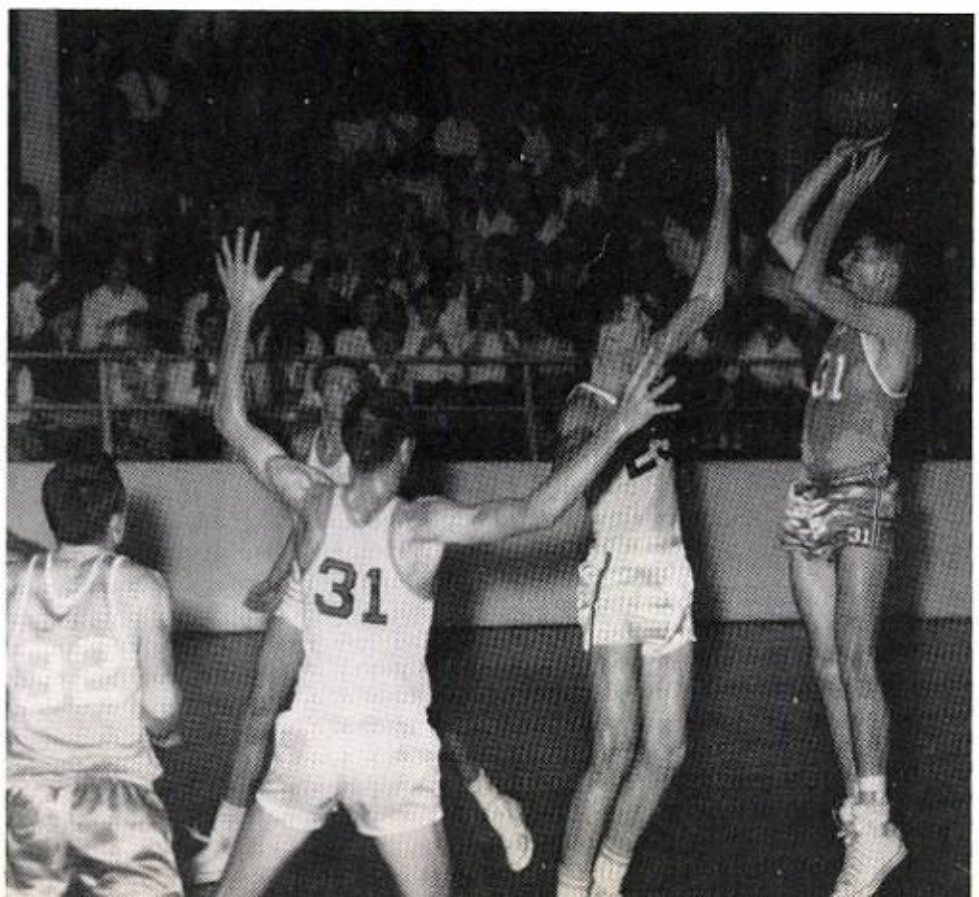
The Rebs first encounter with the Spartans this season was a well-played battle for both teams.

Bob Glover was high-point man for the Rebels with 9 points and Eddie Dominguez accounted for 8.

JEFFERSON—58
SAMUELL—69 February 6

Giving a great performance in the last district game, the Rebels, nevertheless, had to bow to the Spartans.

High point men for Jefferson were graduating seniors Steve Ellis and Larry Elsey, 13 points each.



Marble gets the
jump on Fultz.

STEE-RIKE

COACH: Floyd Mechler

From the start of the Rebel baseball season, both Varsity and "B" teams held the promise of a very successful year.

There were eight returning lettermen on the varsity, and we had every reason to be optimistic that the team would live up to the tradition of past Rebel baseball teams.

The "B" team opened its season with two consecutive shut outs which predicted future success.

"B" BASEBALL 1961

LETTERMAN'S ASSOCIATION

1960-1961

one's nice . . . but two are delightful

That's the opinion of Bill Gaynier, home-builder father of TJ twins Kathy and Tammy Gaynier. So perhaps that's one reason why he is so pleased at being able to announce the development of

CHAPEL DOWNS

highly restricted home division, twin to popular

SPARKMAN CLUB ESTATES

Everything that has made Sparkman Club so desirable to home buyers in North Dallas has a twin advantage in Chapel Downs! You'll find the same restricted building, wide paved streets and alleys, curb-hugging sidewalks and the same kind of community club house that has made Sparkman Club Estates so great! That's right, Chapel Downs will have its own swimming pool and club house, with membership restricted to Chapel Downs dwellers! Proximity to schools, churches and shopping are other attractions which have made Sparkman Club Estates preferred by parents . . . and each is an advantage to be found in Sparkman's twin, Chapel Downs, right across the street!

SPARKMAN CLUB . . . CHAPEL DOWNS . . . twin developments for twice as much living pleasure.
